Dear Sir / Madam,

On behalf of School of Chemical Sciences, Solapur University, Solapur and Organizing Committee of National Conference, we cordially invite you to historic place Solapur for one day National Conference on "Recent Advances in Chemical Sciences" (RACS – 17) to be held on 26th November, 2017. The Conference will be highlighted by invited talks of eminent resource persons from National Chemical Labs, Institutes, Industries, Universities etc. and posters by participants. The purpose of the conference is to provide the forum for exchange of ideas, concepts and new methodologies of research in Chemical Sciences and their applications.

Conference Themes :

Organic synthesis	Inorganic synthesis
High Performance Materials	Nanomaterials
Organometallics	Medicinal chemistry
Synthesis of biologically active compounds	Solvent extraction / Separation techniques
Catalysis	Electrochemistry
Green chemistry	Industrial chemistry
Biophysical chemistry	Molecular interactions
Energy and photochemistry	

About Solapur University :

Solapur University is one of the youngest University in Maharashtra established on 22nd July, 2004. Within a short span of about thirteen years, the University has made substantial progress. The University Campus is spread over an area of 519 acres. At present the University has seven Schools offering postgraduate courses in 18 disciplines leading to M.A., M.Sc., M.C.A., M.Com., M.Phil., and Ph.D. degrees with a total strength of over 1000 students and research scholars. The University is academically vibrant and carrying out research in frontier areas of chemical, physical, computational, earth and social sciences with a number of research projects funded by Government of India funding agencies. The University has 118 affiliated Colleges with total strength of about 90,000 students.

Call for Papers/Abstracts :

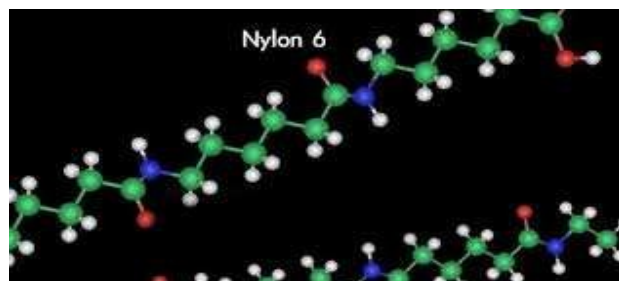

SUBMISSION OF ABSTRACTS:

The soft copy of abstract of the original research paper for oral / poster presentation should be send to following email on or before **24th Nov. 2017**.
vikaskadu1@gmail.com / anil_ghanwat@yahoo.com

Confidential peer-review shall determine acceptance or rejection. Abstracts, along with registration fees should reach by Nov.24, 2017. Acceptance shall be communicated by Nov. 24, 2017, **Please send the abstract(s) by Electronic mail only.**

Format for Abstract :

Title (14pt, Bold, Centered), Name of author/s (12pt, italic), Dept. Name, Institute name and address along with email for correspondence. Abstracts in font Times New Roman, font size 12 with not exceeding 250 words, A4 size with margins top / bottom 1 inch, left 1.5 and right 1.25 inches.

Registration Fees :

(A) Delegates from Academia:	Rs. 500
(B) Research Students:	Rs. 300
(C) Delegates from Industry:	Rs. 700
(D) PG Students	Rs. 200

Please send details of participants along with the appropriate amount of registration fees. Please make demand draft of any nationalize bank in favour of "F & AO, Solapur University, Solapur" payable at Solapur or by online transfer or RTGS/NEFT on details given below..

About School of Chemical Sciences :

The School of Chemical Sciences has been in existence since 1984, then as a part of the Centre for Postgraduate Studies of Shivaji University, Kolhapur and since then has grown into one of the prominent School of Solapur University. The School offers M.Sc., M.Phil. courses in polymer Chemistry, Industrial Chemistry and Organic Chemistry and Ph. D. programs in polymer sciences, co-ordination chemistry, organometallic chemistry, drug design and synthesis, controlled and targeted drug delivery, etc. The School has successfully completed several research projects sponsored by DST, BRNS, UGC and ISRO. A good number of students from the school are occupying important positions in industries and academia and several have persued doctoral and postdoctoral studies abroad.
