**PUNYASHLOK AHILYADEVI HOLKAR
SOLAPUR UNIVERSITY, SOLAPUR
Academic, Research and Development**

Punyashlok Ahilyadevi Holkar Solapur University will provide financial support under “**Breakthrough Research (Outstanding Research)**” for research proposals submitted by the permanent approved teachers of University departments/Schools and its affiliated colleges who are actively engaged in quality research and significantly contributed to his/her area of research. The aim of scheme is to strengthen quality research activity among the university and college teachers.

NORMS AND GUIDELINES

The Hon’ble Vice-Chancellor is pleased to sanction budgetary provision for research projects which will be undertaken by the faculty pursuing research in various areas. The objective to initiate “Breakthrough Research (Outstanding Research) for researchers scheme is to strengthen the research activity especially among the faculty members who have significantly contributed to the area of their research through the publications, grants, patents, etc. and will have an opportunity to apply for the present scheme. Research proposals are invited in the prescribed format (available on website) from the faculty working in the University Departments/Schools and affiliated Colleges. The last date for submission of duly filled application form is **31st August** of every year.

The norms and guidelines of the “Breakthrough Research (Outstanding Research) for Researchers” scheme are given below:

1. The proposal should clearly state the objectives, indicate current national and international status, methodology employed, expected results and outcome of the project along with the budget estimate for two years.

2. The maximum grant available for each project is Rs. 2 lakhs for all faculties. The duration of the project will be for two years.
3. The selection of the projects will be based on peer review and presentation of short-listed proposals by an Expert Committee constituted by the university. Every year **only one** proposal will be sanctioned.
4. The budget estimate should provide the details under different heads such as equipment, consumables/chemicals/reagents/supplies, contingency, travel, books etc. The recurring cost should not exceed 30% of the total grant except chemicals. However, the hiring of services for completion of a specific task of the project is allowed.
5. Faculty currently having project under this scheme will not be eligible to apply. He / She will become eligible only after successful completion of his/her current project.
6. On receipt of approval letters, the Principal Investigator / Department or College should inform the University, about their consent to implement the project and send the Acceptance Certificate (*Annexure-VI*). Acceptance Certificate may be sent within one month from the date of issue of approval letter, otherwise it will be treated that the Principal Investigator (PI) is not willing to implement the project and the approval will be automatically cancelled.
7. Project once approved is not mutually transferable. The transfer of project to the Co-Investigator will be considered by University provided he/she fulfils the legibility criterion.
8. If the awardee is transferred within the University jurisdiction from his/her original place of work to another Institution, a "No Objection Certificate" should be furnished for the transfer of the project from both the Institutions stating that necessary facilities will be provided by the Institution in which the awardee is transferred for the smooth running of the project.
9. All assets generated out of the fund for the project including equipment, books and journals will become the property of the parent institution on completion of the project. However, in case of transfer of the project, assets (or a part of it) generated out of the funds of concerned project, may be transferred to the Institution under the jurisdiction of Punyashlok Ahilyadevi Holkar Solapur University, Solapur where PI is working at the time of completion of the project on request, with prior approval of the University.
10. (a) Prior approval of the University will not be necessary for publishing the results of the study on the project supported by the University. In all such cases, however, the

investigator should acknowledge the support received from the University in the following wording:

This research work is carried out of the grants received from Punyashlok Ahilyadevi Holkar Solapur University, Solapur under Breakthrough Research grants (Ref. No.-----).

The PI is thankful to the funding Institution.

- (b) University will have equity in the revenue generated from the patents/copyrights/ technology transfer obtained from the findings of the research under this scheme.
11. After Completion of 1st year, there will be a mid-term project progress review meeting. In this meeting the PI must give a presentation and should prove that the goals set by him/her are met. In satisfactory presentation the remaining fund may be released.
12. (a) A bound copy of the final report of work done on the project in book form along with CD should be submitted to University on completion of the research project within Six Weeks.
- (b) A copy of the “Final Report” of the work done may be kept in the Library of the respective department and/or the University/College.
- (c) Books, Journals and Equipment will come under ‘Non-Recurring Items’ and Contingency, Research Personnel, Hiring Services, Chemicals and Consumables, Travel and Field work, Special Needs etc. appear under ‘Recurring Items’.
13. The Principal Investigator should submit annual progress report along with the statement of accounts (*Annexure-IV*) and utilization certificate (*Annexure-III*) at the end of financial year for the release of the subsequent grant.

Note: The proposal is liable to be rejected in case any item or column of proforma is left blank or incorrect or the required information is not properly provided.
