*Principles of Business Management [Compulsory Paper]

Semester Pattern Syllabus for B. Com-I, Semester-I & II [with effect from June 2019]

Lectures- 4 per week Total marks-

• Preamble:

Today, Management of an enterprise whether in agriculture sector or in industrial sector or in service sector requires knowledge and skill of getting things done from others. The acquision of such knowledge and skill by experience is cumbersome. Very few are born managers, but many good managers are actually made. Success of management largely depends upon understanding of principles and basics of business management. Keeping in mind, this view, principles of business management course is introduced at B. Com Part-I programme. This will support the students to understand and acquaint the knowledge of principles, functions and areas of management. This will develop the awareness among the students regarding how to manage the business.

• Specific objectives:

- 1) The main objective of this paper is to make the students understand business management principles and practices to withstand the competitive business environment.
- 2) To impart the basic understanding of business management, to enable the students to apply different skills and technique to assist the management in taking appropriate decisions relating to business enterprise.

Course Outcome:

- Co 1 Students will able to understand Business Management Principles and Practices in their Practical life.
- Co 2 The students will able to implement management principles successfully to make the enterprise to achieve its predetermined goals and objectives in best possible manner.
