16th August, 2016

Dear Sir/Madam,

Ministry of Human Resource Development, under its National Mission on Education through Information and Communication Technology (NMEICT), has entrusted IIT Kharagpur to host, coordinate and set-up National Digital Library (NDL) towards building a national asset. The objective of the project is to integrate all the existing digitized and digital contents available with different institutions. More specifically, it is to provide a single-window access with e-learning facility to different groups of users ranging from primary to higher education.

NDL will harvest metadata and contents from all the Institutional Digital Repositories (IDR) & other digital library initiatives & NMEICT projects in the National Digital Library Server so that the e-contents can be searched and accessed in the full-text by the users through a single window.

Please note that following can be accessed from single window of NDL:

- Educational material ranging from primary to post-graduate levels,
- More than 40 types of learning resources,
- 13,00,000+ items authored by 1 lakh authors,
- Items in more than 70 languages.

In order to making the most out of these resources, you are requested to kindly advise the students of your esteemed university and the affiliated colleges to register themselves on the NDL portal at <https://ndl.iitkgp.ac.in/>.

Your personal indulgence will be highly appreciated.

With warm regards,

Yours sincerely,

(Jaspal S. Sandhu)
