Punyashlok Ahilyadevi Holkar Solapur University, Solapur

Message From Hon'ble Vice-Chancellor

I am delighted to present the 20th Annual Report of Punyashlok Ahilyadevi Holkar Solapur University for the academic year 2023-24.

Solapur city and district have a rich historical legacy, deeply rooted in the traditions of devotion and strength. This land, sanctified by the teachings of the Warkari saints, is home to a vibrant working-class and agrarian culture. To create educational opportunities for students from both rural and urban backgrounds, Punyashlok Ahilyadevi Holkar Solapur University was established in 2004. Carrying forward the legacy of the great ruler Punyashlok Ahilyadevi Holkar, renowned for her administrative prowess and welfare policies, the university remains committed to impart knowledge and education.

Over the past year, the university has made significant contributions in education, research, arts, sports, social service, administration, skill development, entrepreneurship, environmental conservation and social awareness.

While implementing the New Education Policy, the university has focused on expanding vocational and skill-based education. Through various skill development programmes, innovative courses and research initiatives, students are empowered to enhance their capabilities and adapt to an increasingly competitive world.

To encourage entrepreneurial growth, the university has launched multiple projects through its Incubation Centre, aimed at fostering innovation and supporting the ideas of local youth. These initiatives are driving the process of new business creation, enabling students to transform their ideas into enterprises. The university is committed to ensure students' holistic development, aligning with the Indian educational ethos.

The university has received a grant of ₹100 crore under the PM-USHA initiative to strengthen interdisciplinary education, research development and infrastructural expansion. This funding is being strategically utilised to create advanced infrastructural facilities and modernise existing buildings, ensuring an innovative and future-ready academic environment.

Additionally, procuring cutting-edge research equipment is under process to provide students with exceptional opportunities for high-quality research and innovation. The university is actively engaged in academic, research-oriented and socially impactful programmes, offering a dynamic platform for scholars and students to advance their intellectual pursuits. Through these initiatives, the university seeks to reinforce its bond with society, driving a holistic academic ecosystem that fosters excellence, collaboration and transformative growth.

The university is nearing the completion of its new administrative building on a sprawling 482-acre campus. Under the Khelo India project, the development of a state-of-the-art sports complex is progressing steadily. Additionally, the construction of seven new academic blocks is gaining momentum. In line with its commitment to inclusive development, the university has submitted a proposal to the government for the establishment of a dedicated facility for differently-abled individuals and the transgender community. Furthermore, recognising Solapur as the Dakshin Kashi, a proposal has been submitted for an International Research and Training Centre focused on the Warkari tradition, promoting its study and research. Similarly, new hostel facilities have been proposed to cater to students from rural areas. The university is proudly celebrating the Tricentennial Birth Anniversary of Punyashlok Ahilyadevi Holkar. Marking this grand occasion, a magnificent memorial of Ahilyadevi Holkar and other essential facilities are rapidly taking shape within the campus. The construction of the new administrative building has also reached completion. It is envisioned that these landmark facilities will be inaugurated by the Hon'ble Prime Minister of India, Shri Narendra Modi, on 31st May 2025.

Under the esteemed guidance of the university's Chancellor, His Excellency the Governor, Shri C. P. Radhakrishnan, the institution has begun implementing the National Education Policy 2020 in its full capacity. Additionally, with the leadership and direction of Maharashtra's Chief Minister, Hon'ble Shri Devendra Fadnavis, Deputy Chief Ministers Hon'ble Shri Eknath Shinde and Hon'ble Shri Ajit Pawar, Higher and Technical Education Minister Hon'ble Shri Chandrakantdada Patil, Minister of State for Higher and Technical Education Hon'ble Shri Indranil Naik, Guardian Minister of Solapur Hon'ble Shri. Jaykumar Gore, Higher and Technical Education Secretary Shri B. Venugopal Reddy and Chief Secretary to the Governor Shri Prashant Naravare, the university is consistently working towards enhancing its academic infrastructure and facilities.

With a student-centric approach, the university remains committed to holistic progress. While implementing its development policies, the university actively engages stakeholders, including members of the statutory bodies, principals, directors, faculty, administrative officers, staff, students and people, ensuring comprehensive participation in its various initiatives. The university visualises itself as a national leader in the coming years by fostering inclusive and high-quality education, pioneering research, excellence in arts and sports, national service, environmental sustainability and strengthening societal bonds.

I sincerely hope for the continued support and cooperation of all stakeholders in achieving this vision.

Thank You!

Prof. Prakash Mahanwar

EDITORIAL

As we present the 20th Annual Report for the academic year 2023-24, I take immense pride in reflecting upon the university's progress and achievements over the past year. This report encapsulates the academic, research and extracurricular advancements made by our students and faculty, reaffirming our commitment to excellence in higher education.

The university currently comprises 108 affiliated colleges, including 41 grant-in-aid colleges, 6 autonomous institutions and 67 non-grant colleges. Notably, 13 colleges have successfully undergone NAAC re-accreditation, 24 institutions have completed their third cycle and 3 colleges have reached their fourth cycle of NAAC accreditation, securing commendable grades. This stands as a testament to our affiliated institutions' academic rigour and commitment.

Examinations were conducted smoothly and results were declared promptly, ensuring academic continuity. Various departments initiated innovative programmes and introduced multiple certificate courses to enhance students' employability by equipping them with industry-oriented skills. The Board of Innovation and Incubation has spearheaded numerous projects, fostering an entrepreneurial ecosystem that encourages students to transform ideas into viable ventures.

The university has been sanctioned a ₹100 crore grant under the PM-USHA Scheme, which is effectively utilised for infrastructural expansion and modernisation. Our esteemed Vice-Chancellor, Dr. Prakash Mahanwar, has been instrumental in enhancing research facilities to provide students with cutting-edge opportunities. The construction of a new administrative complex on a 482-acre campus is approaching completion. As part of our commitment to sustainability, the National Service Scheme (NSS) has facilitated the plantation of 11,000 trees, strengthening the university's environmental initiatives. Moreover, national and international seminars and conferences were successfully organised, encouraging intellectual engagement and interdisciplinary collaborations.

The university library continues to grow, with the addition of several new books and journals, ensuring access to valuable academic resources. The Youth Festival held at SVERI's College of Engineering, Pandharpur, provided a dynamic platform for students to showcase their talents and develop their personalities. The university has also significantly upgraded its hostel facilities, offering modern accommodations for domestic and international students. Additionally, proposals for new hostels to support students from rural areas have been submitted to the government. The university also takes pride in honouring meritorious students with gold medals for their academic excellence.

In commemoration of the Tricentennial Birth Anniversary of Panyashlok Ahilyadevi Holkar, a grand memorial is being constructed within the university campus. The university has successfully implemented a New Educational Policy, demonstrating its commitment to adapting to the evolving scenario of higher education. I extend my best wishes to our Vice-Chancellor, Pro-Vice-Chancellor, Registrar, Deans and Director, Examination and Evaluation, for their visionary leadership in shaping the university's future.

I would like to express my sincere gratitude to Assistant Registrar (Statistics), Mr. S.P. Sonkamble and Annual Report Committee Secretary, Mr. Mukhtar Shaikh, for their meticulous efforts in compiling this report. I also extend my appreciation to the members of the Annual Report Committee Prof. Dr. Prabhakar Kolekar, Prof. Gangadhar Birajdar, Prof. Dr. Appasaheb Done, Prof. Dr. D. C. Nanaware, Prof. Adv.
