Dear Sir/madam,

It gives us immense pleasure to know you that The IQAC of our institution in collaboration with AUROPATH, Puducherry is going to organize One-day National Experiential Workshop on Integrating Course Objective and Course Outcome in present Curriculum and Latest Trends & Role of Library in Teaching Methodology on 4th January 2020.

About Auropath

AUROPATH is an institutional development programme initiated by AuroService Trust in collaboration with the Sri Aurobindo Society with the goal of preparing educational, professional and social institutions to realize their full potential and promote research-based sustainable development. It promotes a quality-conscious system of higher education where excellence, relevance to market needs and participation by all stakeholders are prime and major determinants. Auropath facilitates building education system, as facilitators of human resources, which will match the national goals of growth by competence, contribution to the economy through competitiveness and compatibility with societal development. It sets the quality benchmarks targeted at the global and national stockpile of human capital in all fields of Higher Education.

About the College

The Vivekanand Mahavidyalaya, Bhadrawati is the first College in Bhadrawati Tehsil established in 1989 by the Hon'ble Adv Moreshwarrao V.Temurde, President Vivekanand Dhynpeeth Convent, Worora This College has established for imparting education to poor and backward people who are deprived of education. Man making and Nation Building' is the vision of college. The Mission Statement of the College is to create environment for the promotion of value-oriented education. The whole endeavor of college is to impart qualitative and valuable service in the field of Higher Education and to make the students as responsible citizens. The college strives hard to promote equality and social justice among students and society.

History of Bhadrawati

Bhadrawati formerly known as Bhandak historical and religious city in Chandrapur district in the state of Maharashtra, India. It lies 26 km from Chandrapur city and 125 km from Nagpur.

Ancient & historic places:

Bhadrawati Fort- Bhadrawati Fort is located in heart of Bhadrawati city. This Historical monument is made by Gond King Bhankasing in 3 acre of land.

Bhadranag Mandir- The city has an ancient temple of Bhadranag a form of Lord Shiva, popularly known as Nagoba Mandir or Nag Mandir. It is visited by a large number of devotees on Mahashivratri and Nag-Panchami. This temple gives the city its name of Bhadrawati.

Jain Mandir -The Jain temple dedicated to 23rd Jain Tirthankar Parshavnath known as Kesariyaji Parshvanath located in Bhadravati. The temple belongs to Shwetamber sect of Jain religion.

Ganesh Temple- There is a Ganesh temple at Gavrala and its architecture and archaeological remains refers the art of the late ancient historic period.

Vijasan Tekdi -There are 2000 years old Buddhist caves in Vijasan Tekdi at Vijasan village. These caves have hosted International Buddha Dhamma conventions. Several leaders and Monks of Buddha Dhamma from all over the world have represented at the convention.

About the Experiential Workshop

One of the significant responsibilities of Universities and Autonomous Colleges is Curriculum Design and Development and thus are expected to have processes, systems and structures in place to shoulder this responsibility. The Affiliating/Constituent Colleges have rather insignificant role in curriculum designing and development. They adopt the curriculum overview provided by the respective universities. Each college operationalize the curriculum within the overall frame work provided, in one's own way depending on its resource potential, institutional goals and concern and so on. That is, each college visualizes the way the curriculum has to be carried out – activities, who, how, when etc. This process makes each institution unique and reflects on the concern of the college for quality in the form of values emphasized, sensitivities focused on, etc. Keeping this view in mind, the IQAC of the institution in collaboration with AUROPATH, Puducherry decided to organize One-day National Experiential Workshop on Integrating Course Objective and Course Outcome in present Curriculum and Latest Trends & Role of Library in Teaching Methodology.

The application of ICT resources are important considerations. It also probes into the adequacy, competence as well as the continuous professional development of the faculty who handle the programmes of study. The efficiency of the techniques used to continuously evaluate the performance of teachers and students is also a major concern of NACC. The Experiential Workshop throws light on ICT, latest trends in teaching-learning and quintessential impact of Library in teaching-learning

Experiential Workshop on Integrating Course Objective and Course Outcome in present Curriculum and latest trends in Teaching Methodology, will cover :-
How to make Course file with Course Objective and Course Outcome and different assessment techniques- A tool for Content Delivery.

Will have hands on practice on:-
- Making Course Objective and Course Outcome
- Different Assessment Techniques for attainment of Course Outcomes
- How to make Lesson plans
- Analysis of different results obtained
- Practicing Bloom's Taxonomy

Why Use Bloom's Taxonomy?
- To Write and revise learning objectives
- To Plan curriculum
- To Identify simple to most difficult skills
- To Effectively align objectives to assessment techniques and standards
- To Incorporate knowledge to be learned (knowledge dimension) and cognitive process to learn
- To Facilitate questioning (oral language = important role within framework)
- Bloom's Taxonomy Learning Domains
- Cognitive Domain - Mental Skills (Knowledge)
- Affective Domain - Growth in Feelings or Emotional Areas (Attitude)
- Psychomotor Domain - Manual of Physical Skills (Skills)
- Latest trends in teaching Methodology.
- Use of ICT for Teaching
- Usage of Digital technology in library.
