To: Ravindra Hegadi <rshegadi@sus.ac.in>

Cc: Ankit Damani <ankit.damani@iping.in>, Gajanan Bandgar <gajanan.bandgar@iping.in>, Rajesh Damani <r_d@iping.in>

Hello Dr. Hegadi,

The recruitment drive was a very good experience and it was truly amazing to get a chance to interact with few of your students especially the Phd enrolled students.

Following is the list of students with whom we would like to work on few projects at iPing-Data Labs.

1. Shubham Vemekar
2. Pranil Tunga
3. Avinash Birajdar
4. Anil Sakhare

Incentive will be offered to them for successfully deploying a project. Incentive parameter would be variable based on the type of project involved and performance of the student.

Eg.1. One month project based on developing an app - incentive - 1000~2000 Rs

2. Two - Three months project which might involve learning new tasks like cloud services, IoT core, AI - incentive - 2000~ 5000 Rs

Minimum incentive for any project would be 1000 Rs and maximum could go till 8000 Rs.

Please do send us the resumes of your Phd students, we would like to associate with them with your guidance in real time projects like Artificial Intelligence at iPing Data Labs.

Regards,

Shalaka Malu
