Dear Sh. Patil Ravikant Yashwantrao,

Subject: Request for details of Aadhar number and Bank Account details of Visvesvaraya PhD candidates and Young Faculty Research Fellows - Reg

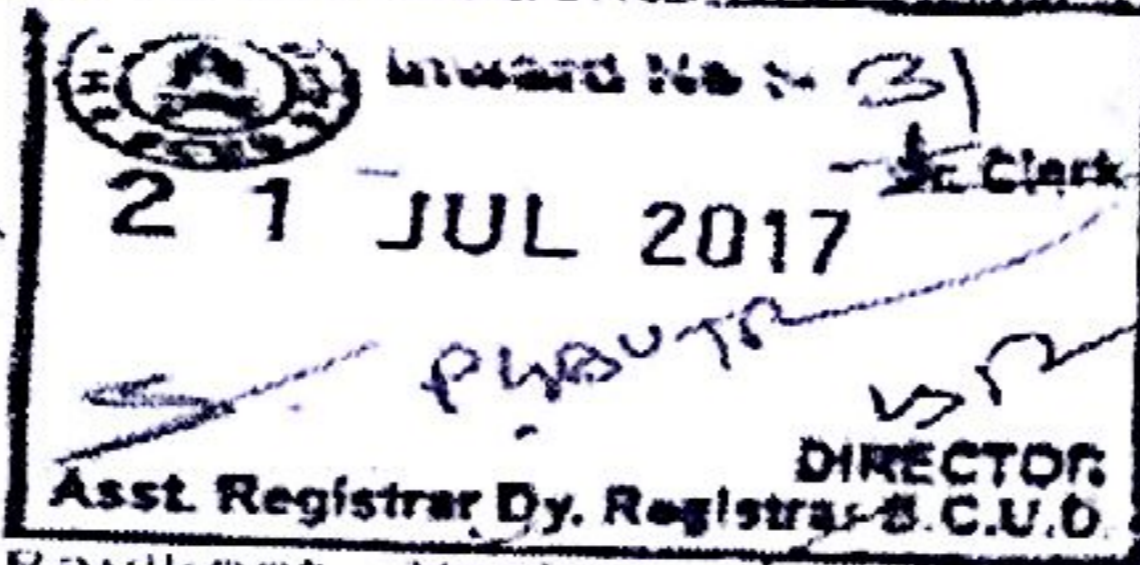

You may be aware that "Visvesvaraya PhD Scheme for Electronics and IT" was launched in March 2014 by Ministry of Electronics and Information Technology, Government of India, New Delhi. This scheme is being implemented through Media Lab Asia. Under the scheme the students who are doing PhD in the domain of Electronics and IT are being granted fellowship and the young faculty are being given research grants for carrying out research.

As per the recent norms, it is decided to seed the Aadhar Number of the beneficiaries of the above scheme and link it to the Bank Account. In view of this you are kindly requested to issue necessary directions to the beneficiaries of the details of the PhD candidates availing PhD Fellowship and Young Faculty Research Fellowship under the scheme. A specific format has been designed for this purpose on the portal all the beneficiaries need to just upload the details online.

It is also proposed that the "Direct Benefit Transfer" mechanism would be applied for the scheme as well.

In view of this it is once again requested that please direct all these Candidates/Young Faculty Research Fellows under the scheme to upload the details as per the format available on PhD Scheme portal before 31 July 2017 in order to continue to get the benefits of the scheme. In absence of these details Ministry would not be able to release any further grant to the students and other beneficiaries.

With regards,

Yours sincerely
(Dr. BK Murthy)
