Preamble: National Cadet Corps is a Tri-Services Organization comprising the Army, Navy and Air Force, engaged in grooming the youth – ‘The Leaders of Tomorrow’ – into disciplined and patriotic citizens. Military Science (NCC) paper is introduced under Discipline Specific Core to B. A. students with the aim of introducing the students to NCC organization and various training programs. The fundamental training of drills, disaster management and self defense etc may develop the character of cadet. The well trained cadets are requirement of society. The NCC organization chapter prescribed for the syllabus will help them to Indian military system. Other chapters prescribed for the syllabus will help students to understand basic discipline in NCC.

Objectives of the Course:

- 1) To enable the students to understand that NCC is voluntary service.
- 2) To develop social and leadership aspects among the students.
- 3) To enable the students to do proper map reading.
- 4) To enable the students to understand various techniques and tools related to military.

Course Outcome:

1. After completing this course, NCC cadets develop the ability to act as leaders in society.
2. Cadet gets basic knowledge of disaster management, first aid.
3. Map Reading, Civil Defense etc. So a cadet will be ready for emergency services.

B.A. Part- II
Military Science (N.C.C.) Minor Paper III Code-
