to registrar-coa, president-coa, Council

Respected Sir/Madam,

I am writing in my capacity as **Chairperson, Board of Studies in Architecture, Faculty of Science and Technology, Punyashlok Ahilyadevi Holkar Solapur University, Solapur.**

The University has initiated the revision of the **B.Arch. curriculum for A.Y. 2026–27**. Accordingly, the revised **teaching scheme, ordinances and detailed syllabus** have been prepared as per the **existing COA 2020 guidelines** and submitted to the University for further approval.

However, in view of the proposed **NEP-based B.Arch. curriculum**, we have been advised by the University to reconsider the syllabus in accordance with the NEP framework.

During discussions with members of the COA, we were informed that a **proposed NEP-based B.Arch. the curriculum has been prepared by the COA and submitted to the concerned Ministry for approval.**

In this context, we kindly request the **Council of Architecture to guide us regarding the appropriate curriculum to be followed for A.Y. 2026–27**, so that the University may proceed accordingly.

We would also be grateful if the Council could kindly **communicate its guidance to the authorities of Punyashlok Ahilyadevi Holkar Solapur University**, enabling the University to take further necessary action regarding the teaching scheme, ordinances and detailed syllabus.

We look forward to the Council's kind guidance and support.

Thank you.

Yours faithfully,

Ar. A. N. Katgaonkar
