## EDITORIAL

Greetings,

It gives me great pleasure to present to you the Annual Report for the academic year 2021-22. Because this is the year when all educational and other activities have been conducted regularly after recovering from the outbreak of Covid 2020. Therefore, this report of the academic year 2021-22 is not only an account of the activities and progress of Punyashlok Ahilyadevi Holkar Solapur University during the year, but an ideal lesson of the efforts made by the university for the overall progress and development of the students in the most difficult times. Hence this annual report has acquired a distinct form.

The University examinations were conducted in offline mode this academic year. Due to two years of online studies and exams conducted in the same manner, this year's results show that offline exams are a challenge for the students as well, but all the students have overcome this. In the academic year 2021-22, various workshops and seminars were organized in the university to increase the knowledge of the students and also to develop their personality. Many programs like Lekhak Sanman, Science Day, International Yoga Day, Shivjyoti Rally were celebrated during this year.

On the occasion of International Women's Day, a two-day conference was organized on the theme of *Women's Health and its Impact on the Family*. Gold medals and prizes were awarded to every student who stood first in all courses from various faculties. A special mention needs to be made of the event this year, that is the first convocation of Skill Development course by Hon. Minister Shri. Chandrakantada Patil. This is the honor of the students who have achieved success in many skill development courses started by the university in the last year.

The research done by the professors in various departments of the university in the last year, the patents received by them, the research of the students have all been incorporated in the reports of the respective departments. Activities organized by the university like Inventions, Youth and Sports Festivals, various activities of National Service Scheme have placed here for the readers' reference.

In the academic year 2021-22, three colleges of one institution, Walchand College of Arts and Science, Hirachand Nemchand College of Commerce and Walchand Institute of Technology, Solapur, affiliated to Punyashlok Ahilyadevi Holkar Solapur University, Solapur have been

conferred with autonomous status from the University Grants Commission, New Delhi. Although Solapur University is known as a small university, the total number of five autonomous colleges within the university campus is relatively considerable. In this report you will also get a graph of various activities, research and their progress in all the colleges affiliated to the university.

I'm grateful to the Vice Chancellor of the University Hon. Dr. Mrunalini Fadnavis madam for providing guidance and support to complete the work in the stipulated time. Also, this report could be prepared properly with the cooperation of the In-charge Pro-Vice-Chancellor and the In-Charge Registrar of the university. I express my sincere gratitude towards them. My colleagues in the committee Principal Dr. Shankar Navale, Prof. Dr. Vandana Purohit, Dr. Anjana Lavand, Dr. Shriram Raut provided valuable support to complete the task. All of them worked hard to make this report neat and flawless by attending the meetings organized from time to time.

Mr. Arvind Joshi (Marathi) and Prof. Dr. Deepak Nanavare (English) who have done the work of proof reading of the report, helped to eliminate the printing defects. I express my sincere thanks to both of them.

Due to proper planning and regular follow-up by Deputy Registrar of Statistics Section Dr. U. V. Metkari and Member Secretary of Annual Report Committee Shri. Mukhtar Shaikh, this issue could be completed neatly and on time. Special thanks to all of them. Presented before you is the indicative progress report of the University for the academic year 2021-22. I hope that this report will be an inspiration for further work. All the best for the future endeavours!
