Solapur University

VI ANNUAL REPORT

Address by the Hon. Vice Chancellor :

Friends, it gives me immense pleasure to present the VI Annual Report of Solapur University, Solapur; for the academic year 2009-2010. I take this opportunity to state the progress and the landmarks created by the University.

After assuming charge as Vice Chancellor of this University in the year 2007, it came to my notice that the University was facing a number of hurdles. Among the major problems were the lack of independent buildings and shortage of human resources in administrative work.

I am happy to state that by the end of the annual year, independent buildings for School of Computer Sciences, School of Social Sciences, School of Geological Studies have been constructed; while the construction work of the other departments are in progress. Hopefully by the end of the academic year, we will have independent building for every department. During the year, the following have been successfully completed and is being used.

Ladies Hostel (Rs. 64 Lacs)

School of Arts and Language - I Floor (Rs. 1.63 Crores)

V.I.P. Guest House (Rs. 97.35 Lacs)

In addition to this, a multi-purpose air-conditioned seminar hall has been constructed, which is used for conferences and seminars. Tar roads from the main gate connecting each department (worth Rs. 40 Lacs) have been laid. Solar Street lamps (worth Rs. 10 Lacs) have been installed on either side of the road. The entire campus has been beautified with a variety of trees and plants.

The greatest achievement of the University is the acquisition of 483 acres of land. The govt. granted funds worth Rs. 8.03 crores for this. Due to this Solapur University ranks fourth among the non-agricultural Universities in Maharashtra State. To avoid trespassing on the land, trenches have been dug all around and trees planted on a three-tier basis. On this land, due to the 2 percolated water tanks, and 4 wells there is no shortage of water supply. The N.S.S. residential camps were organised here for a period of about 5-6 months with the help of the N.S.S. volunteers and continuous contour trenches were dug. The

volunteers also planted about 5 lac saplings and this greenery is a feast to the eyes. These plants are very carefully tended.

Along with the infrastructural development great attention was also paid to the academic progress. The total number of affiliated colleges are 113 and 58,000 students are being benefited through different streams. Except the agricultural and medical colleges, all the other streams and professional courses have adequate facilities.

U.G. and P.G. courses in Arts, Commerce, Science, Engineering Pharmacy, Social work, Computer Sciences, M.C.A., M.B.A., Law, Education, Physical Education, and Architecture are provided. The six schools namely School of Physics, Chemistry, Geology, Social Sciences, M.C.A. and Education wherein about 729 P.G. Students are being enrolled.

About 5158 external students have enrolled for different P.G. and U.G. courses.

Every since the establishment of the University, the students have been the focal point and positive progress is being made in the same direction. The 'Earn and Learn' scheme has been made available to the socially and economically underprivileged P.G. students.

In addition to this, from among the 113 affiliated colleges, 8,000 students from 59 colleges participated in the N.S.S. camps and undertook social services such as cleaning the village, tree plantation, health camps etc and helped the villages.

Apart from this, the students participated in the 'Indradhanush' State Level Youth Festival, Western Region Youth Festival and were successful in creating landmarks.

Our students participated in the 'Ashwamedh' Competitions - Inter University Sports Meet and in the All India University Level Swimming Competition. Ms Rasika Sriram secured the gold medal. At the same meet we secured the gold medal for the Girls Volleyball matches.

On the occasion of the VI Convocation of the University, Dr. Pandit Palande, Pro-Vice-Chancellor, Y.C.M.O.U (Nashik) was invited as the chief guest. Shri V.P. Tipugade, Lab Asst. was felicitated for his excellence in service. In

addition to this the convocation function was graced by the presence of Hon. Dr. H.A. Ranganathan, Director, NAAC, (Bangalore).

During 11th – 13th Jan, 2010; the State-level 'Avishkar' 2009 was organised under the auspices of the Chancellor's office. The programme was inaugurated by Hon. Shri Laxmanrao Dhobale (M.P), Minister for Sanitation and Water Supply, Maharashtra State, and Guardian Minister, Solapur District. This programme was graced in the presence of Hon. Dr. S. N. Pathan, Vice Chancellor, Rashtrasant Tukadoji Maharaj University, Nagpur; Dr. K.B. Patil, Vice-Chancellor, North Maharashtra University, Jalgaon, Dr. Arun Adsul, I/c Vice Chancellor, Pune University, Pune; Dr. A.G. Khan, Director B.C.U.D, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad and Dr. J.D. Patil, Director, Students Welfare, M.U.H.S. Nashik.

The Valedictory and Prize Distribution Ceremony of 'Avishkar' 2009 was held at the hands of Hon. Sushil Kumarji Shinde (M.P.) Minister for Energy, Govt. of India, New Delhi.

The renovated ultra-modern air conditioned seminar hall was inaugurated at the auspicious hands of Hon. Sushil Kumarji Shinde. The programme concluded with a mimicry show by the Comedy King, Son of Solapur, Prof. Deepak Deshpande and other variety entertainment programme.

The University in collaboration with the Bank of Maharashtra, and Employees Union Aurangabad organised a lecture 'Challenges in the economical field in India' (Bharatatil Vittiya Kshetra Samoreen Avahane) in memory of comrade Prabhakar Yadav. Shri P. Sainath, Editor, The Hindu, delivered the lecture.

There is so much more to do and many more dreams to be fulfilled. Continuous efforts are being made to develop and construct the administrative buildings, examination building, Vice-Chancellor's residence, staff quarters, independent play ground for different games and sports. I would like to conclude with the following lines of Robert Frost:

"The woods are lovely dark and deep
But I have promises to keep
And miles to go before I sleep
And miles to go before I sleep".
