1. Polymer Chemistry
2. Industrial chemistry
3. Organic Chemistry
4. Medicinal Chemistry

➢ **Research Course**

1. Post-doc in Chemistry
2. Ph. D. In Chemistry
3. M. Phil. In Chemistry

➢ **Skill Course**

1. Certificate in instrumental methods of analysis

➢ **Departmental Academic Calendar**

Admission Process (completed)	13.09.2022
Commencement of Classes	01.09.2022 (M.Sc. II)
	15.09.2022 (M.Sc. I)
College Assessment (tentative)	Last Week of every month
Cultural Activities	8.10.2022-10.10.2022
Guest Lectures	First, second, and third Week of November
Sport activities (Welcome Trophy)	Last week of November
Winter Vacations	16/10/2022-30/10/2022
University Assessment (Practical)	Upto 31st December
End of Semester I & III	31/12/2022
Commencement of Classes of Even semester	01/01/2023
Parent meet	First Week of January
Study Tour	Last week of January
National Conference	Third week of January
College Assessment (tentative)	Last Week of every month
Guest Lectures	First, second, and third Week of February

Sport activities (Farewell Trophy)	Last week of March
University Assessment(Practical)	Up to 30th April
End of Semester	30th April

❖ **Strategic Plan:**
   ✓ To develop high class infrastructure for class rooms, computer laboratories, common facility center room for sophisticated instruments, separate common sitting room for boys and girls.
   ✓ To encourage students for start-ups.
   ✓ To develop well equipped research laboratories.
   ✓ To procure sophisticated instruments through various funding schemes like DST-FIST, UGC etc.
   ✓ To submit major research projects to various funding agencies from state and central government.

❖ **Perspective plan (5 Year Plan):**
   ✓ Strengthen the infrastructure for school
   ✓ Develop laboratory facilities for research and development as well as for consultancy propose.
   ✓ To strengthen the academic curriculum by starting new specializations, viz. Analytical (2024-25) and Inorganic Chemistry (2025-2026).
   ✓ To create opportunities for research and development in organic, polymer, pharmaceutical and material sciences.
   ✓ To sign the MoU's with various chemical, polymer and pharmaceutical Industries
   ✓ To sign the MoU's with various national and international academic and research institutions.
   ✓ To form industry-university interface to exchange research and development ideas through industrial training for post graduate students and faculty exchange.
   ✓ To form placement cell for recruitment of PG students at various industries.

❖ **Best Practices:**
   ✓ Guiding students to inculcate the aptitude for research.

- ✓ Study Tours to various chemical, polymer and pharmaceutical Industries for Post graduate Students
- ✓ Four Gold Medals for meritorious students.
- ✓ Campus interviews for student placements.
- ✓ Industrial visits.
- ✓ Earn and Learn Scheme for the students.
- ✓ Department Research Fellowship for Research students.
- ✓ The scholarship to girl students through 'muli shikva samaj ghadva' scheme
- ✓ Project / In-plant Training, in research Institutes/ Chemical Industries.
- ✓ National Science Day, Avishkar and Sports Day Activities

School of Physical Sciences

3) Perspective Plan (5 years):-

To achieve academic excellence through teaching, research and innovation, School of Physical Sciences envisage following plan.

1) Curricular Aspect:-

   i.   The course designed from all programs will be structured according to NEP 2020.

   ii.   Internship will be included in the curriculum.

2) Teaching Learning and Evaluation:-

   i.   As students are from rural area, they need to be exposed to communication skills. They will be trained to develop communication skill to the students.

   ii.   Students will be encouraged for MOOC & SWAYAM programs.

   iii.   Enrich analytical thinking of students and teachers for research.

   iv.   Monitoring of students outcome.

   v.   To develop confidence, better communication ethics etc amongst the students.

   vi.   The book bank and ICT usage will provide more scope for learning.

3) Research, Innovation and Extension

   i.   Research and Innovation activates will be governed by research promotion policy of P.A.H. Solapur University, Solapur

   ii.   To publish the research articles in high impact SCI journals.

   iii.   Filing of patents.

   iv.   Submission of major research projects, to national funding agency.

   v.   Participation of students in NSS activities.

4) Infra structure and Learning Resources:-

   i.   Strengthening of research laboratories

   ii.   Strengthening of ICT facilities

   iii.   Initiating the energy studies laboratory

   iv.   Sophisticated laboratory will be strengthened

5) Student Support & Progress:-

i. Mentor-Mentee relationship is strengthened.

ii. More skill courses will included in the curriculum.

iii. Students will be encouraged for Ph. D. & Post doc in international repute labs.

iv. Book -Bank Scheme will be strengthened.

v. Needy students will be supported by providing fellowships.

vi. Alumni activities will be strengthened

6) Leadership, Governance & Management :-

i. School has qualified and competent faculty to provide effective leadership and management at various levels. As an outcome all faculty members get involved in the every university initiatives.

ii. Research culture has been promoted with full awareness and inclusion.

iii. Faculty will be encouraged to make collaborations with national and international institutes.

iv. Faculty will be motivated for consulting services as per university, consultancy policy.

v. For good governance, the school activities will be decentralized.

7) Institutional Values & Best Practices

Best Practice:-

i. Research and Innovation.

ii. Green School.

Director 1|10|22

Director
School of Physical Sciences
Punyashlok Ahilyadevi Holka·
Solapur University, Solapur

4) Best Practice :-

❖ Research & Innovation:-

Faculty of School of Physical Sciences has a active engagement in research and innovation resulted in 600 research papers in SCI journals with more than 15000 citations, 03 patents are granted and 01 patent is published. Faculties have received more than Rs.2.5 cror research grant from government funding agencies. 74 students were awarded Ph. D. degrees. The faculty of school engaged in the research area as conducting polymers, metal oxides, graphene based hybrids for gas sensors and supercapacitor applications.

With this back ground faculty will engage local and global research projects in benefits of society. The faculty will be motivated to file patents and transfer technology to industry. Quality research publication through high impact journals.

2) Strategic Plan 2022-23

The strategic plan of School of Physical Sciences has followed various activates for regular of special growth. The regular areas of growth admission, academic excellence, ranking, research and innovations, collaborations, industry integration, placement etc.

1) Organization of invited talks, of eminent scientists of national institutes.

2) Organization of placement camps for students.

3) Publication of research articles in the high impact, Scopus / Web of Science Journals.

4) Promotion of ethical and value based learning.

5) Filing of patents.

6) Providing healthy environments to the research students to carry out quality research.

7) Promotion of innovation and incubation activities.

School of Commerce and Management

Strategic plan

for the year 2022 -2023

Date- 30/09/2022

1) *To organize induction programme for newly admitted Students and Faculty.*

2) *To organize Guest lecture series for development of students.*

3) *To promote ethical and value –based learning*

4) *To promote health and wellness amongst students, staff and community.*

5) *To focus on communication skill of Students.*

6) *Placements Invited Talks.*

7) *To promote entrepreneurial culture among students through Incubation centre.*

Punyashlok Ahilyadevi Holkar Solapur University, Solapur

School of Commerce and Management

PERSPECTIVE PLAN

A schedule for excellence, innovation and leadership through plans to take its teaching, research with society forward, to emerge as leader in education.

A] Academic Innovation

- promote and support experiential learning
- Autonomy and Consolidation of Choice based credit/ Semester
- Support academic programs to strengthen grant request

B] Administrative Innovation

- Process re-engineering to reduce transactions cost, through statute,
- ordinance changes so as to attain greater efficiency and reduce harassment of all stake holders
- Support faculty research and professional development
- IT enabled timely information disbursal (circulars and time-tables)
- For the convenience of Departments/ Colleges/ Teachers and Students
- On-line procedures for enrolment / eligibility Payment of fees

C] Infrastructural Upgradation

- Facilitating better instruction, improves student outcomes, and capitalize additional benefits
- Providing greater support for learning excellence and innovation

D] To strengthen Alumni Association

The role of Alumni affairs will be to provide lifelong association with the alumni and create opportunities and organize events for networking and professional development.

Punyashlok Ahilyadevi Holkar Solapur University, Solapur

School of Commerce and Management

Best Practices

1. Title of the Practice	Loyalty towards Collective Accountability
2. Motto	Serving the civilization
3. Goal	(a) To sensitize the students to various proportions of collective issues. (b) To promote environmental awareness
4. THE PRACTICE	School of Commerce and management is committed to the cause of social responsibility and will work in close association with local community through different initiatives. It is sought to awaken the social conscience of students and make available them with the opportunity to work with the people around and understand the practical realities in the society. The main objective of this practice will be to promote Community service, Education, Environment and cultural programs. The initiatives are classified in three categories: 1. **Social Initiative:** Awareness Program on Social issues, Blood donation Camp, Charity work etc. are some social initiatives will be undertaken by the team to help people who are suffering in Society. 2. **Educational Initiatives:** Major Community of Solapur belongs to middle class who have migrated to Pune, Hyderdrabad and Mumbai for seeking employment in this industrial city. Most of them have not completed skill education. For such people university / school will initiate skill development courses through which they can pursue their certificate courses online /offline and acquire an employment skill. 3. **Ecological Initiatives:** Mother Earth has given everything to us. Being a part of the nature, it's our duty to do something for mother earth. Plantation drive, Swachh Bharat Abhiyan, No Plastic bag campaign will be conducted in the academic year to help atmosphere.
5. Evidence of Success:	The school will keep record of press / media coverage.

अंतर्गत कार्यालयीन टिपणी - अंतर्गत गुणवत्ता प्रमाणिकरण कक्ष (IQAC) विभागास,
