## Teaching and Learning Policy

We have a separate teaching learning policy to expedite learning through facilitating the interactive learning.

- 1) Teachers introduce and employ a variety of teaching and learning methods and resources, both inside and outside the classroom, to enthuse, motivate, challenge and involve students, including:
  - ◆ Experiential learning
  - ◆ Intelligent Questioning Techniques
  - ◆ Practical activities
  - ◆ Interactive seminar- and tutorial-style sessions
  - ◆ Use of other interactive methods/resources
  - ◆ Teacher-led lessons
  - ◆ Field trips and visits
  - ◆ Invited speakers/experts
- 2) Teachers support each student's spiritual, moral, social, cultural, intellectual and physical development, in conjunction with their welfare Under FDP new learning methodologies are discussed to create the environment of the classroom from teacher to facilitator.
- 3) Extensive use of technology will be made for teaching and learning of different languages and to popularize language learning.
- 4) University has a Learning Management System to incorporate better learning experience and digital window for one to one interaction of teachers with students.

### Objectives of the Policy:

- 1) To create student friendly atmosphere in the class room.
- 2) Teaching and learning will be conducted in a more interactive manner; questions will be encouraged, and classroom sessions will regularly contain more fun, creative, collaborative, and exploratory activities for students for deeper and more experiential learning.
