Message from Hon'ble Vice Chancellor

Prof. Prakash A. Mahanwar
Vice-Chancellor

Dear Students,

Greetings!

It is with great pleasure that I welcome you all to Punyashlok Ahilyadevi Holkar Solapur University as you embark on the next phase of your academic journey.

At the outset, I extend my heartfelt appreciation for your commitment, perseverance, and dedication to learning. Your resilience, particularly in the face of challenges, is truly inspiring and reflects the spirit of excellence that we cherish at our university.

Our mission at Punyashlok Ahilyadevi Holkar Solapur University is to cultivate a nurturing, inclusive, and intellectually vibrant environment that empowers every student to excel academically and grow personally. We are committed to providing holistic education that equips you with the knowledge, skills, and values essential for becoming competent professionals, responsible citizens, and future leaders.

I urge you to make the most of the vast opportunities available at our university. Participate actively in academic pursuits, engage in co-curricular and extracurricular activities, and utilize the various student support services designed for your overall development. Challenge yourself, explore your passions, and embrace new experiences that enrich your educational journey.

As the Vice-Chancellor, I assure you of our steadfast commitment to academic excellence. We continue to enhance our teaching methodologies, upgrade infrastructure, and align our academic programs with the National Education Policy (NEP 2020), ensuring a learner-centric and future-ready approach.

Discipline, integrity, and ethical conduct remain the cornerstones of our university culture. Upholding these values will not only contribute to your personal development but will also reflect positively on the legacy of our esteemed institution.

I encourage you to engage deeply with our dedicated faculty, who are here to mentor and support you in every step of your academic path. Their expertise and guidance will be instrumental in shaping your success.

Our university has recently achieved several significant milestones. Under the prestigious PM-USHA scheme of the Government of India, we have received a grant of ₹100 Crore for new infrastructure, renovation, equipment, and academic development. Numerous national and international conferences, seminars, and faculty development programs have been organized under this initiative. We have also entered into valuable Memorandums of Understanding (MoUs) with leading state universities, research institutions, government bodies, and international universities to expand academic and research collaboration.

This year, we are proud to celebrate the 300th Birth Anniversary of Punyashlok Ahilyadevi Holkar, a symbol of wisdom, leadership, and compassion. To commemorate this occasion, the university has planned a series of enriching activities for our students. Additionally, several new academic and administrative building including the Main Administrative Block, Examination Block, Engineering Block, NSS Block, and multiple departments will soon be operational in our newly constructed campus facilities.

Your time at this university is just the beginning of a lifelong journey of learning and growth. Embrace the challenges ahead with confidence and strive for excellence in all that you do. I extend my best wishes for your academic success and a rewarding future. May your time at Punyashlok Ahilyadevi Holkar Solapur University be filled with meaningful experiences, personal growth, and lasting achievements.

Warm regards,

NAAC Accredited-2022
'B++' Grade (CGPA-2.96)

Prof. Prakash A. Mahanwar

Vice-Chancellor,

Punyashlok Ahilyadevi Holkar Solapur University

Solapur – A Rising Hub of Quality Higher Education

Solapur, a city steeped in cultural heritage and industrial legacy, is now rapidly evolving into a prominent **centre for higher education** in Maharashtra. Strategically located at the tri-junction of **Maharashtra, Karnataka, and Telangana**, Solapur is uniquely positioned to serve students from across regions, offering a vibrant and inclusive academic environment.

At the core of this educational transformation is **Punyashlok Ahilyadevi Holkar Solapur University** – a progressive public university committed to excellence in education, research, and innovation. The university offers a wide spectrum of **Undergraduate (UG), Postgraduate (PG), Diploma, Certificate, and Skill-based courses** across key disciplines such as:

- Science and Technology
- Arts and Humanities
- Commerce and Management
- Computer Applications and IT
- Social Sciences
- Environmental and Earth Sciences
- Education and Physical Education

With a strong emphasis on **academic quality, industry relevance, and student development**, the university fosters a learning ecosystem that bridges the gap between classroom knowledge and real-world applications. Initiatives such as **industry-academia collaborations, internships, research projects, and skill enhancement programs** ensure students are career-ready and competitive in global job markets.

Solapur offers an **affordable cost of living, peaceful atmosphere, and excellent connectivity**, making it an ideal destination for students and researchers. The city's growing academic infrastructure, cultural richness, and rising employment opportunities across various sectors add further value to the educational journey.

As stakeholders, whether you are a student, parent, faculty member, or industry partner, we welcome you to explore the academic potential of Solapur. **Punyashlok Ahilyadevi Holkar Solapur University** stands committed to nurturing future leaders, innovators, and responsible citizens. **Join us in shaping a brighter future through education. Welcome to Solapur – your gateway to knowledge, opportunity, and success.**

About Punyashlok Ahilyadevi Holkar Solapur University

Punyashlok Ahilyadevi Holkar Solapur University is a young state University of Maharashtra state, established on 1st August 2004. The Formation of the University at Solapur was a long-cherished desire of the people of this region and the people of the district have an emotional attachment to the University since its inception. Earlier to the formation of University, Solapur city had a P. G. Center of Shivaji University, Kolhapur since 1984. The center for P. G. Studies had three postgraduate science departments housed in two buildings and a central Library building on its campus that spread over a total area of 37 acres. Seven postgraduate programmes were offered in that P.G. centre.

Punyashlok Ahilyadevi Holkar Solapur University is now located on the outskirts of Solapur city about 10 km from the main city, on the national highway NH-09 towards Pune. The proximity with the national highway provides good connectivity. It is a matter of great pride that the university has made big strides within a short span. Nine new buildings, for School of Computational Sciences, School of Social Sciences, School of Earth Sciences, Central Instrumentation centre, Girls' hostel with an accommodation facility for 200 girls; Boys' hostel with accommodation for 100 boys, Rector's bungalow, University Guest House and VIP Bungalow are available in the campus.

The University is relentlessly putting its endeavors in enhancing the standards in teaching, research, extra-curricular and sports activities. The University has introduced new schools like School of Commerce and Management, School of Languages and Literature, School of Performing Arts and Fine Arts, School of Allied Health Sciences, School of Technology, School of Life Sciences and many new skill-based courses in recent times. At the same time, some of the existing courses are modified so as to strike the right balance between the theoretical and applied components in the curriculum. Bridge courses are initiated by the schools to admit students from other faculties to the mainstream courses. There is a strong research pursuance and publications carried out by each school. The University is committed to the all-round developments of students. As a result, a number of students have been bringing laurels at the state and national youth festivals, sports and research events.

The University has been regularly organizing State level, inter University level and international seminars, conferences, sports and research events. The University has developed its sports facilities and health center in the extended campus. Construction of the new Administrative and examination building has started at the state Govt allocated approx. 500-acre land adjacent to the old campus. The installation of an impressive statue of Punyashlok Ahilyadevi is in progress at the new campus too.

The School System

The University has adopted the School system and brought various departments under the umbrella of eleven Schools. The basic motive behind the School concept is optimal utilization of manpower, infrastructure and other resources available with the University. The University Grants Commission has recommended the inception of the School System for institutes of higher learning to provide academic flexibility and horizontal mobility to the graduate and postgraduate students. Following are the Schools Department-

Sr. No.	Name of the School	Name of the Department
1	School of Chemical Sciences	Department of Chemistry 1. Polymer Chemistry 2. Industrial Chemistry 3. Organic Chemistry 4. Medicinal Chemistry
2	School of Physical Sciences	1. Department of Physics (Applied Electronics/ Material Science/Energy Studies) 2. Department of Electronics Science
3	School of Earth Sciences	1. Department of Applied Geology 2. Department of Environmental Science 3. Department of Geoinformatics
4	School of Computational Sciences	1. Department of Computer Applications 2. Department of Computer Science 3. Department of Mathematics 4. Department of Statistics
5	School of Social Sciences	1. Department of A.I.H.C & Archaeology 2. Department of Economics 3. Department of Rural Development 4. Department of Journalism & Mass Communication 5. Department of History 6. Department of Applied Psychology 7. Department of Political Science 8. Department of Public Administration
6	School of Commerce and Management	1. Department of Commerce 2. Department of Management
7	School of Languages and Literature	1. Department of Marathi 2. Department of Hindi 3. Department of English 4. Department of Sanskrit 5. Department of Urdu

		6. Department of Kannada 7. Department of Pali 8. Department of Prakrit
8	School of Performing Arts and Fine Arts	1. Department of Music -Vocal/Instrumental 2. Department of Dramatics 3. Department of Music Tabla / Pakhawaj 4. Department of Visual Arts
9	School of Technology	1. Department of Cosmetic Technology
10	School of Allied Health Science	1. Department of Dietetics and Nutrition 2. Department of Yoga 3. Department of Acupressure
11.	School of Life Sciences	1. Department of Microbiology 2. Department of Bioinformatics 3. Department of Biotechnology 4. Department of Pharmaceutical Manufacturing and Quality

पुण्यश्लोक अहिल्यादेवी होळकर
सोलापूर विद्यापीठ
॥ विद्याया संपन्नता ॥

NAAC Accredited-2022
'B++' Grade (CGPA-2.96)

School of Chemical Sciences

Building admeasuring about 2054.63 sq. meter in built-up area. Well-furnished and equipped classrooms, laboratories, seminar hall and conference hall.

Background:

Chemistry Department was the first institute in Maharashtra to offer the M.Sc. Programme in (Polymer Chemistry) since, 1984. M.Sc. (Industrial Chemistry) Programme was started in 1997 followed by M.Sc. (Organic Chemistry) Programme in 2005 and recently, M.Sc. (Medicinal Chemistry) in June, 2019. B.Sc. (Pharmaceutical & Fine Chemical Technology) & B.Sc. (Paint Technology) in June 2024 All the programmes are job oriented and applied.

Campus Interviews:

- Various companies viz. Kansai Nerolac Paints Ltd., Gharda Chemicals Ltd., Cipla Ltd., Smurthi Organics Ltd., Asian Paints Ltd., Life Line Industries Ltd., URDIP, Pune, Syngene International Ltd, A Biocon Company, Bangalore, Balaji Amines Ltd., Solapur, Vikalp Chemtech Pvt. Ltd. Solapur, OC Speciality Pvt. Ltd. Solapur, Vamsi Labs Ltd. Solapur, Raichem Medicare Pvt. Ltd., Raichur etc are invited to hold campus interviews.,
- 11 students have been selected by Godrej Ltd and Birla Pilani Ltd under Somaiya Vidyavihar University organized We-chemie Internship program during year 2024-2025.
- Many of our M.Sc. (Polymer, Organic and Industrial Chemistry) students were awarded with fellowship of different agencies and got admission to Ph. D. / PDF (Post-doctoral Fellowship) courses in National Institute like, National Chemical Laboratory (NCL), Indian institute of science education and research (IISER), Indian Institute of Bangalore (IISC) and countries namely, U. K., Germany, Italy, Netherlands, USA, South Korea and Japan etc.
- Highest rate of Passing SET/NET/GATE examination. Nearly about 65 Students till now have qualified SET/ NET/ GATE examination studied in the school since, 2010.
- Since, 2010 students of our School are awarded with gold medals on being holding a rank. As, three Gold Medals are kept reserved only for Chemistry Student.

Programmes Offered: The School of Chemical Sciences cater the needs of students who wish to pursue higher education to obtain M. Sc., M. Phil., and Ph. D. in the specializations shown below –

Sr. No.	Name of the Specialization	Name of the Programme	Intake capacity
1.	Polymer Chemistry	M.Sc. Chemistry (Polymer Chemistry)	20
2.	Industrial Chemistry	M.Sc. Chemistry (Industrial Chemistry)	25
3.	Organic Chemistry	M.Sc. Chemistry (Organic Chemistry)	40
4.	Medicinal Chemistry	M.Sc. Chemistry (Medicinal Chemistry)	20
5.	Paint Technology	B.Sc. Chemistry (Paint Technology)	30
6.	Pharmaceutical and fine Chemical Technology	B.Sc. Chemistry (Pharmaceutical and fine Chemical Technology)	30
7.	Skill Development Course (Analytical Chemistry)	Six Months Certificate Course Instrumental Methods of Chemical Analysis	100

Eligibility for M.Sc.: Students with B.Sc. Chemistry (at Principal/ Subsidiary level) of any UGC recognized University is eligible. Preference will be given to the students with Chemistry as the principal subject.

Eligibility for B.Sc.: Students with 12th Science faculty

Teaching Staff:

- The teaching faculty is highly qualified and well experienced.
- Some of the teachers have several years of postdoctoral research experience in countries like USSR, Japan, USA and South Korea.

Sr. No.	Name	Designation
1.	Dr. Smt. A. S. Lawand	Associate Professor and Director
2.	Dr. A. A. Ghanwat	Associate Professor
3.	Dr. S. N. Shringare	Associate Professor
4.	Dr. V. D. Kadu	Assistant Professor
5.	Dr. M. G. Mali	Assistant Professor

6.	Total 07 Faculties on Ad Hoc / Contract Basis
----	-----------------------------------------------

Visiting Faculty: Eminent Professors from National Institutes, CSIR Laboratories and other Universities are invited to enrich the academic perspective of the students.

Research Facilities:

A) Major Areas of Research:

- Development of new synthetic methods, synthesis of bioactive molecules, medicinal chemistry, process development of fine chemicals, drugs / pharmaceuticals ingredients, Organometallic Chemistry, Green Chemistry, Supramolecular Chemistry
- Nanomaterial synthesis, their characterization and application as energy generation through Water splitting, and energy storage
- Polymer chemistry, polymer synthesis / modification, high temperature resistant polymers, phosphorus / fluorine containing monomers and polymers, utilization of natural resources – like CNSL, castor oil, cellulosic etc. Controlled drug delivery systems, liquid crystal polymers, functional polymers, polymer supported ligands, block and graft co-polymers, Photo responsive Monomers and Polymers, Photoresist Materials, Biodegradable Polymers, Polymers from renewable resources
- Solvent extraction and spectrophotometric study of metals

B) Research Activities:

- Two International and three Indian patents are granted.
- Two major research projects sponsored by RGST
- One major research project under Breakthrough Research (Outstanding Research) sponsored by PAHSUS.
- Completed Research Projects: Seven major projects sponsored by DST-New Delhi, BRNS–Mumbai, UGC – New Delhi and ISRO.
- One Major Research Project sanctioned by UGC, New Delhi.
- One minor Research project completed under seed money for Researcher scheme
- Published several research papers in National and International journals.
- So far, 15 students have obtained M. Phil. and 60 students have obtained Ph. D. degree.
- At present, fifteen (15) Ph. D. students are engaged in the research work.

Other Amenities to Students

- Guest lecture Series on Subjects of specialization
- Library Visit
- NET-SET Workshop
- National & International Conferences
- Bridge Course
- Hands on Training
- On Job Training & Internship in chemical industries and Research institutes
- Campus interview cell organizes placement drive for students
- Interaction session organized for students with the scientist of National Research institute
- Sophisticated instrument facility, like- High Vacuum Pump, U.V. spectrometer, Distilled water Distillation Unit, Fume hood facility
- Industrial tour
- Separate Department Library

School of Physical Sciences

The School of Physical Sciences traces its origins back to 1984 as the Postgraduate Centre of Shivaji University. It comprises two departments: Physics and Electronics Science, both of which offer M.Sc. and Ph.D. programs. The departments are equipped with state-of-the-art laboratories that foster both foundational and advanced studies in Material Science, Applied Electronics, Energy Studies and Electronics Science.

The school boasts a strong and accomplished alumni network, which reflects its legacy through successful research projects, patents, academic contributions, and collaborations that have contributed to the university's growth. Faculty members are deeply engaged in research, administrative responsibilities, and outreach activities, ensuring a dynamic academic environment.

The departments are housed in a dedicated building with approximately 10,000 sq. ft. of space, providing a conducive environment for learning and innovation.

- M.Sc. Physics (Applied Electronics) programme was started in 1984.
- M.Sc. (Electronic Science) programme was started in 1997.
- M.Sc. Physics (Materials Science) programme was started in 2009.
- M.Sc. Physics (Energy Studies) – 2021
- B.Sc.- Physics-2024
- Separate building for above department admeasuring about 10,000 sq. ft. built-up area.
- Well-furnished classrooms, well equipped laboratories and seminar halls, etc.

Sophisticated and Scientific Instruments:

<ul style="list-style-type: none"> Stylus Surface Profilometer. 	<ul style="list-style-type: none"> BET Surface Analyzer.
<ul style="list-style-type: none"> Impedance Analyzer. (Precision Wayne Kerr, USA), (CH Instruments Auto Lab, The Netherlands.) 	<ul style="list-style-type: none"> E-Learning Class Rooms.
<ul style="list-style-type: none"> Electrochemical Workstation. 	<ul style="list-style-type: none"> Microwave Test Bench.
<ul style="list-style-type: none"> Spectro electrochemical Multiplexer with EQCM. 	<ul style="list-style-type: none"> HP- 6½ Digital Multimeter.
<ul style="list-style-type: none"> Simple Spray Pyrolysis Unit. 	<ul style="list-style-type: none"> Nanofiber Electrospinning Unit.
<ul style="list-style-type: none"> Ultrasonic Spray Pyrolysis Unit. 	<ul style="list-style-type: none"> CST Antenna design software
<ul style="list-style-type: none"> Programmable Electrometer. 	<ul style="list-style-type: none"> Physical Vapour Deposition.
<ul style="list-style-type: none"> Spin Coating Unit. 	<ul style="list-style-type: none"> Photo Reactor System.
<ul style="list-style-type: none"> Vacuum Coating and E-Beam Evaporation Setup. 	<ul style="list-style-type: none"> Susceptibility Unit.
<ul style="list-style-type: none"> SHIMADZU UV Spectrophotometer. 	<ul style="list-style-type: none"> Thermo-Electric Power Setup.
<ul style="list-style-type: none"> Hysteresis Loop Tracer. 	<ul style="list-style-type: none"> Electrical Conductivity, Measurement Unit.

NAAC Accredited-2022
'B++' Grade (CGPA-2.96)

Programmes Offered

The School of Physical Sciences provides the need of students who wish to pursue higher education to seek M.Sc. and Ph.D. in the specializations shown below: -

Sr No	Name of the Department	Name of the Program	Eligibility	Intake
1.	Department of Physics (Applied Electronics/Material Science/Energy Studies)	M.Sc. Physics (Applied Electronics/Material Science/Energy Studies)	BSc with Physics as a principal subject and Physics at subsidiary level	60 (20 Per Specialization)
2.	Department of Electronics Science	M.Sc. Electronics Science	BSc with Electronics as a principal subject, Electronics at subsidiary level and BSc (ECS)	20
3.	Department of Physics	B.Sc. Physics	H.S.C. Science	30

- In order to support teaching – learning activities, a required number of additional contractual teachers are recruited. Visiting Faculty: Eminent Professors from National Institutes are invited to enrich the academic and research perspectives of the students

Teaching staff

Sr No	Name	Designation
1.	Dr. B. J. Lokhande	Director, Professor and Head
2.	Dr. V. B. Patil	Professor, Head

School of Earth Sciences

Brief Overview of the School of Earth Sciences

The School of Earth Sciences was established in 2008, coinciding with the founding of Punyashlok Ahilyadevi Holkar Solapur University in 2004. It originated from a Postgraduate Centre that began offering a Master of Science in Applied Geology under Shivaji University in 1984. The school aims to nurture young talents and equip them with the necessary skills to tackle modern challenges in Earth Sciences.

Initially focused on Applied Geology, the School expanded its offerings to include a Master of Science in Environmental Science and a Master of Science in Geoinformatics. In 2021, a six-month skill-oriented program in Environmental Informatics was also introduced. These programs are designed to provide students with a comprehensive understanding of Earth Sciences along with specialized knowledge.

To recognize outstanding student achievements, the school awards the Gold Medal for Excellence in Applied Geology to the top student in that program and the Gold Medal for Outstanding Achievement in Environmental Science to the top-performing female student in Environmental Science.

Vision & Mission:

Vision

- Establish the School of Earth Sciences as a globally recognized institution in Earth Sciences education, research, and innovation.
- Foster interdisciplinary collaboration to expand knowledge and address global challenges.
- Commit to excellence, sustainability, and social responsibility to prepare graduates as leaders equipped with skills, knowledge, and ethical values.
- Envision graduates contributing meaningfully to Earth Sciences and societal welfare.

Mission

1. **Empowering Students:** Develop critical thinking skills and ethical values to address complex environmental and geological issues.
2. **Innovative Research:** Conduct groundbreaking studies for sustainable resource management, environmental preservation, and risk mitigation.
3. **Stakeholder Collaboration:** Partner with diverse stakeholders to enhance environmental awareness and promote social responsibility.
4. **Inclusivity & Diversity:** Cultivate a culture of inclusivity, ensuring equitable opportunities for all to contribute to Earth's stewardship.

Programmes Offered:

The School of Earth Sciences cater to the needs of students who wish to pursue higher education and obtain M.Sc., Ph. D and Skill Course in the specializations given below:

Sr. No.	Name of the Department	Name of the Programmes	Intake
1.	Applied Geology	M.Sc. (Applied Geology)	20
2.	Environmental Science	M.Sc. (Environmental Science)	24
3.	Geoinformatics	M.Sc. (Geoinformatics)	24
4.	Skill Course	Six months certificate course in Environmental Informatics	20
5.	Environmental Science	B.Sc. (Environmental Science)	30
6.	Geology	B.Sc. (Geology)	30
7.	Geoinformatics	B.Sc. (Geoinformatics)	30

Eligibility:

Sr. No.	Name of the Programmes	Eligibility
1.	M.Sc. (Environmental Science)	Candidates with a B.Sc. in any subject, B.Sc. in Agriculture, or B.Sc. in Entrepreneurship, as well as those on the waiting list of the Chemistry Entrance Examination of PAH Solapur University, are eligible for direct admission. Admission will be based on the entrance examination conducted by PAH Solapur University, Solapur.
2.	M. Sc. (Geoinformatics)	Candidates with a Bachelor's degree in Science or an M.A. in Geography are eligible. Admissions will be granted directly as per university regulations.
3.	M.Sc. (Applied Geology)	Candidates with a B.Sc. in Geology as a principal or subsidiary subject are eligible. Admissions will be granted directly as per university regulations.
4.	Skill Course (Environmental Informatics)	HSSC, B.Sc., B.A., B.Sc.-Agri, B.Com., B.E., B.C.A., M.A., M.Com., M.Sc., JRF, SRF, Ph. D.
5.	B.Sc. (Environmental Science)	12 th Passed with Physics, Chemistry, Biology or Physics, Chemistry, Mathematics.
6.	B.Sc. (Geology)	12 th Science Passed with Physics, Chemistry, Biology or Physics, Chemistry, Mathematics.
7.	B.Sc. (Geoinformatics)	12 th Science Passed with Physics, Chemistry, Biology or Physics, Chemistry, Mathematics.

Teaching Staff:

Sr. No.	Name	Designation
1	Dr. Vinayak P. Dhulap	Director
2	Mr. Suyog P. Baviskar	Assistant Professor
3	Total 07 Faculties on Ad Hoc / Contract Basis	

The faculty includes distinguished academicians, researchers, and industry experts with vast expertise in Earth Sciences. They actively engage in research, publications, and professional activities, enriching education with diverse perspectives. Committed to excellence in teaching and mentorship, they foster a supportive learning environment. Additional contractual faculty are appointed as needed, and renowned professors from national institutes, universities, and local institutions serve as visiting faculty to enhance academics and research.

Facilities and infrastructure:

The School of Earth Sciences is equipped with state-of-the-art facilities and infrastructure to support a comprehensive learning and research environment. Our modern facilities are designed to enhance student learning, facilitate innovative research, and promote interdisciplinary collaboration across various domains of Earth Sciences.

Geological Laboratories:

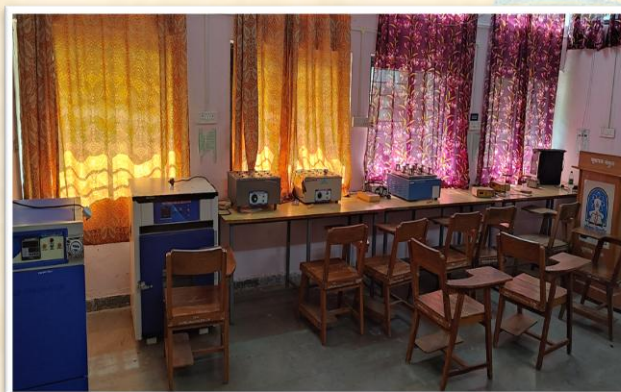

Geological museum and department laboratories are well-equipped with cutting-edge instruments and equipment for rock and mineral analysis, sedimentology, petrology, and structural geology. Students have access to microscopes, thin section preparation facilities, rock and mineral collections, and software for geological modelling and interpretation.

Environmental Science Laboratories:

These laboratories are dedicated to environmental monitoring, analysis, and assessment. They are equipped with instruments for water quality analysis, air quality monitoring, soil testing, and biodiversity assessment. Students gain hands-on experience in environmental sampling, analysis, and data interpretation, preparing them for careers in environmental science and management.

Geoinformatics Laboratories:

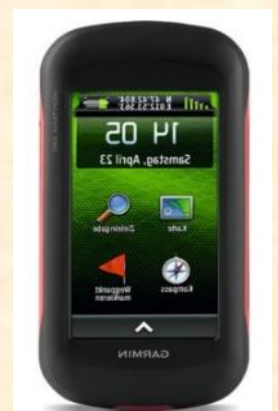

Our Geoinformatics laboratories are equipped with advanced Geographic Information Systems (GIS) software, remote sensing tools, and spatial analysis platforms. Students learn to analyse geospatial data, create digital maps, and develop spatial models for various applications such as urban planning, natural resource management, and disaster response.

Sophisticated Instruments:

- Mineralogical, Petrological and Paleontological microscopes.
- Heating-Freezing Stage in Geothermometric Laboratory, Isodynamic separator
- Instruments for groundwater exploration, Remote sensing & GIS laboratory
- Multi-parameter Analysis Kit, Signal Stacking 0 Resistivity Meter, Total station
- Ground Penetrating Radar System (GPRS), LCD Projectors and smart classroom facilities
- State of art photographic equipment for field and laboratory studies
- Multispectral Satellite data for the State of Maharashtra.
- Specialized software for various applications on GIS platform, Lab for environmental studies consisting of geophysical and geo-chemical infrastructure with related equipment
- Total Station, Mirror and Pockets stereoscope and GPS
- Different types of Digital or Satellite data

Sophisticated Geo – Environment Instruments

पुण्यश्लोक अहिल्यादेवी होळकर

Research Facilities:

The School of Earth Sciences at Punyashlok Ahilyadevi Holkar Solapur University encompasses a diverse range of research areas, reflecting the multifaceted nature of Earth Sciences and the interdisciplinary approach adopted by our faculty and researchers. Some major research areas include:

Geological Studies:

- **Structural Geology and Tectonics:** Understanding the deformation processes and structural evolution of Earth's crust through field mapping, structural analysis, and geophysical surveys.
- **Petrology and Geochemistry:** Investigating the origin, composition, and evolution of rocks and minerals through petrographic analysis, geochemical modeling, and isotopic studies.
- **Sedimentology and Stratigraphy:** Reconstructing past environments and interpreting Earth's history through the study of sedimentary rocks, depositional environments, and sequence stratigraphy.

Environmental Science:

- **Pollution Monitoring and Remediation:** Assessing the impact of pollutants on air, water, and soil quality and developing strategies for pollution control and remediation.
- **Ecosystem Dynamics and Conservation:** Investigating biodiversity patterns, ecological processes, and habitat conservation strategies to promote sustainable ecosystem management and biodiversity conservation.
- **Climate Change and Adaptation:** Studying the drivers and impacts of climate change on regional and global scales and developing adaptation strategies to mitigate its effects on natural and human systems.

Geoinformatics and Remote Sensing:

- **Geographic Information Systems (GIS) and Spatial Analysis:** Utilizing GIS software and spatial analysis techniques to analyze spatial data, create digital maps, and model geospatial phenomena for applications in urban planning, resource management, and disaster response.
- **Remote Sensing and Image Analysis:** Using satellite and aerial imagery to monitor land use/land cover changes, assess environmental conditions, and detect natural hazards such as wildfires, floods, and landslides.

Hydrogeology and Water Resources:

- **Groundwater Exploration and Management:** Investigating groundwater resources, aquifer properties, and groundwater-surface water interactions to develop sustainable groundwater management strategies.
- **Hydrological Modeling and Water Quality Assessment:** Modeling hydrological processes, assessing water quality parameters, and predicting the impacts of land use changes and climate variability on water resources.

Natural Hazards and Risk Assessment:

- Seismology and Earthquake Hazard Assessment: Monitoring seismic activity, characterizing earthquake sources, and assessing seismic hazards to inform earthquake-resistant construction practices and emergency preparedness.

Landslide and Coastal Hazard Management:

- Mapping landslide-prone areas, analyzing slope stability, and developing mitigation measures to reduce the risk of landslides and coastal erosion.

Research Activities:

- Number of sponsored research projects completed: 09
- Ph. D.: 34 Students awarded and 25 Students Working presently
- M. Phil.: 06 Students awarded

Programs and Workshops organized by School:

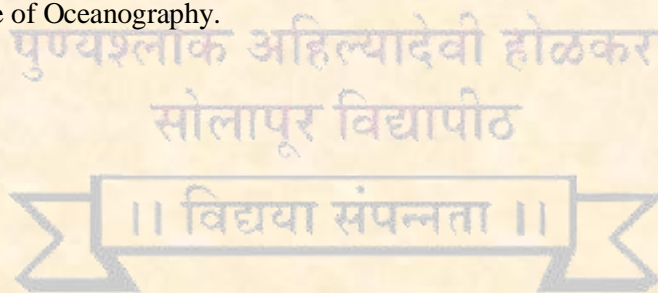

Seminal, workshop & guest lectures organized regularly in School of Earth Sciences for the student development on various topics viz.

- Groundwater Assessment
- GIS Application in Agriculture and Natural Resource (ANR).
- Environmental impact assessment
- Watershed management
- Guest lecture on Bird week
- World Environment Day
- World Earth Day
- World GIS Day
- World Water-Forest and Meteorological Day
- International Conference on Sericulture and Silk fibroin

Visit to Solapur Science Centre

School of Computational Sciences

The School of Computational Sciences started with M.C.A. program in 1998 at the previous PG Center. Later on, M. Sc. (Computer Science), M. Sc. (Mathematics), M.Sc. (Statistics) and M.Sc. (Bio-Statistics) programmes were started in the school. The academic building is architecturally eye-catching and houses four different departments. The class rooms and laboratories are very well equipped with smart boards, LCDs and advanced configuration computers for teaching – learning and research.

Background

- M.C.A. Programme was started in 1998
- M. Sc. (Computer Science) and M. Sc. (Mathematics) Programmes were started in 2005.
- M. Sc. (Statistics) Programme was started in 2007.
- M.Sc. (Biostatistics) Programme was started in 2019.
- Separate building for the school.
- Well-furnished classrooms with LCD projectors and well-equipped Computer Labs.
- A high speed internet facility is available to students.
- Offers best teaching and laboratory facilities at moderate fees.

Campus Interviews:

Various companies have conducted interviews for M.C.A., M.Sc. Computer Science and Statistics students and placed them in good positions. Few of the Companies are -

- ✚ Endeavor Software Technologies – Bangalore, Cogzy Technologies – Bangalore,
- ✚ 4SPL Pvt. Ltd. – Bangalore,
- ✚ Prometheus Solutions Pvt. Ltd.-Mumbai,
- ✚ Yellow markers Technologies – Pune,
- ✚ Every Day IT solutions - Pune,
- ✚ Cross Messenger Pvt. Ltd. - Solapur,
- ✚ Aftek Limited, Solapur,
- ✚ Syneotek Technologies–Pune,
- ✚ V-Midas Technologies - Solapur etc.

Programmes Offered:

The School of Computational Sciences caters to the needs of students who wish to pursue higher education and obtain M.C.A., M. Sc., and Ph. D. in the specializations given below

Sr. No.	Name of the Department	Name of the Programme	Intake
1.	Department of Computer Science	M.Sc. (Computer Science)	30
		B.Sc. (Entire Computer Science)	60
		B.Sc. (Computer Science)	30
2.	Department of Mathematics	M.Sc. (Mathematics)	50
3.	Department of Statistics	M.Sc. (Statistics)	30
		M.Sc. (Biostatistics)	20
4.	Department of Computer Applications	M. C. A. (Master of Computer Applications) (Candidates have to qualify the Common Entrance Test (MAH MCA CET) conducted by the State Government of Maharashtra.)	60
		B.C.A. (Bachelor Computer Application)	60

Programme Structure & Syllabus:

1.	M.Sc. (Computer Science)	Click Here for Syllabus
2.	M.Sc. (Mathematics)	Click Here for Syllabus
3.	M.Sc. (Statistics)	Click Here for Syllabus
4.	M.Sc. (Bio-Statistics)	Click Here for Syllabus
5.	M.C.A. (Science)	Click Here for Syllabus

Teaching Staff:

Sr. No.	Name of the Faculty	Designation	Specialization
1.	Dr. R. S. Mente	Director & Head Associate Professor	Computer Applications
2.	Dr. J. D. Mashale	Assistant Professor & Head	Mathematics
3.	Dr. A. R. Shinde	Assistant Professor & Head	Computer Science
4.	Dr. S. D. Raut	Assistant Professor	Computer Science
5.	Mr. C. G. Gardi	Assistant Professor & Head	Statistics
6.	Total 12 Faculties on Ad Hoc / Contract Basis		

In order to support teaching – learning activities, a required number of additional contractual teachers are recruited. Visiting Faculty: Eminent Professors from National Institutes, other Universities, local colleges / institutions are invited to enrich the academic and research perspectives of the students.

Research Activities and Achievements:

- Well-equipped computer labs with 190 computers and 3 IBM servers, Five high quality Scanners, .NET, SPSS, MINITAB, MATLAB and SYSTAT software.
- At present 19 Ph.D. students are engaged in research work.
- Total 14 students have been awarded Ph.D. degrees.
- More than 70 students qualified for the SET / NET / GATE examination.
- **Major Research Areas:**
 - Industrial Statistics, Statistical Inference, Soft Graph Theory, Fractional Calculus
 - Digital Image Processing, Content Based Image Retrieval, Pattern Recognition
- Published several papers in national and international journals.
- Presented research papers in national and international conferences.
- Organized National and International Conferences, Seminars, Webinars and Workshops.

Computer Lab

University is Honoured with Award **“Cyber Shiksha for Cyber Suraksha-2025 as Best Club Overall”** by the auspicious hands of Hon’ble Governor C. P. Radhakrishnan, Govt. of Maharashtra.

SET/NET Preparation Workshop for Paper II

**Inauguration Ceremony of National Mathematics Day
Sponsored by RGSTC, Govt of India**

**National Mathematics Day Celebration with Volunteers
Sponsored by RGSTC, Govt of India**

**Prize Distribution Ceremony of National Mathematics Day Celebration
Sponsored by RGSTC, Govt of India**

School of Commerce and Management

About the School

The School of Commerce and Management was established in 2010 within the realm of the mission and vision of the university and realization that all transformation can be brought about through the spread of education. The school started with a two-year post graduate Programme in advanced accountancy and Advanced Banking. To meet the ever-growing demand for Management education the M.B.A. program was offered in 2019. To enhance in-depth knowledge and familiarise to Management subjects B.B.A. was introduced in 2024. The school plans to introduce B.Com. (BFSI) in the academic session Year 2025-26. The PAH Solapur University has recognised the school as Research Centre since the year 2022.

Programmes of School of Commerce and Management

Programmes	Specialization	Intake
M.B.A.	Human Resource Management Financial Management Marketing Management International Business Management Information Technology Management Production & Operations Management Tourism and Hospitality Management Banking & Insurance Management Agriculture & Co-operative Management	120

M.Com.	Advanced Accountancy	90
	Advanced Banking and Financial Services	30
B.B.A.	Management Subjects	40
B.Com. (BFSI)	Banking financial Services and Insurance	40

दिव्य मराठी विशेष • विद्यापीठातील कार्यशाळेत डी. राम रेड्डी यांचे आवाहन नोकरदार होण्यापेक्षा उद्योजक व्हा

प्रतिनिधी | सोलापूर

विद्यार्थ्यांनी एखाद्या कल्पना व प्रकल्पांना घेऊन पुढे जावे, त्यावर काम करावे. दुसऱ्यांच्या हाताखाली काम करण्यापेक्षा छोटे-मोठे उद्योग, व्यवसाय उभा करून उद्योजक बनण्याकडे विद्यार्थ्यांनी लक्ष केंद्रित करावे, असे आवाहन बालाजी अमाईसचे कार्यकारी संचालक डी. राम रेड्डी यांनी केले.

पुण्यश्लोक अहिल्यादेवी होळकर सोलापूर विद्यापीठातील वाणिज्य व व्यवस्थापन संकुलमार्फत पीएम उषा योजनेअंतर्गत 'उद्योजकता जेपासणे' या विषयावर आयोजित राज्यस्तरीय कार्यशाळेचे उद्घाटन राम रेड्डी

यांच्या हस्ते झाले. यावेळी ते बोलत होते. या कार्यक्रमाच्या अध्यक्षस्थानी प्र-कुलगुरू प्रा. लक्ष्मीकांत दामा, कुलसचिव योगिनी घारे, स्पेनका वॉटरचे सुहास आदमाने, विद्यापीठाचे वित्त व लेखाधिकारी महादेव खराडे, वाणिज्य व व्यवस्थापन संकुलाचे प्रभारी संचालक डॉ. आर. एस. मेंते आदींची प्रमुख उपस्थिती होती.

यावेळी स्पेनका वॉटरचे सुहास आदमाने यांनी उद्योजक कसा घडले याविषयी विद्यार्थ्यांना माहिती दिली. डॉ. आर. एस. मेंते यांनी संकुलची माहिती दिली. डॉ. जयश्री मुंडेवाडीकर आणि प्रा. वनिता च्छनमाने यांनी मान्यवरांचा परिचय करून दिला. प्रा. सय्यद यांनी आभार मानले.

सोलापूर विद्यापीठातील राज्यस्तरीय कार्यशाळेत डी. राम रेड्डी, लक्ष्मीकांत दामा, योगिनी घारे, सुहास आदमाने, महादेव खराडे, डॉ. मेंते आदी.

विद्यार्थी दशेपासून ध्येय निश्चित करा

उद्योजक श्री. रेड्डी म्हणाले, 'विद्यार्थींनी रेडीमेड जॉबच्या मागे न लागता स्वतः उद्योजक होण्यासाठी विद्यार्थी दशेपासूनच काम करावे. कष्ट, संयम, जिद्द व संघर्षाच्या बळावर उद्योग, व्यवसायात निश्चित यश प्राप्त होतो. त्यामुळे विद्यार्थ्यांनी एखाद्या उद्योगाचे व्यवस्थितरीत्या अभ्यास करून उद्योग सुरू करण्यासाठी प्रयत्न करावे. त्याचबरोबर कुटुंबाचीही मदत विद्यार्थ्यांनी घ्यावी, असे आवाहन देखील त्यांनी यावेळी केले.

यांच्याकडील ग्रामपंचायत विभागाचा अतिरिक्त पदभार घेतला.

शातल पाटल आदी उपस्थित होते.

व्यावसायिक यशासाठी गरजा ओळखून करिअर निश्चित करा

डॉ. सपना मल्होत्रा यांचे कार्यक्रमात प्रतिपादन

प्रतिनिधी | सोलापूर

जागतिकीकरण व खुल्या अर्थव्यवस्थेमुळे रोजगाराचे स्वरूप बदलत चालले आहे. नव्या युगात माणसांच्या गरजा देखील प्रचंड वाढल्या आहेत. या नवनव्या गरजांनी हजारो व्यवसायांना जन्म दिला असून त्यांना ओळखून विद्यार्थ्यांनी आपल्या करिअरची निश्चिती केल्यास व्यावसायिक यश मिळण्यास फायद्याचे होईल असे प्रतिपादन आय.सी.एस.आय.च्या उप-संचालक डॉ. सपना मल्होत्रा यांनी केले.

सात रस्ता येथील रयत शिक्षण

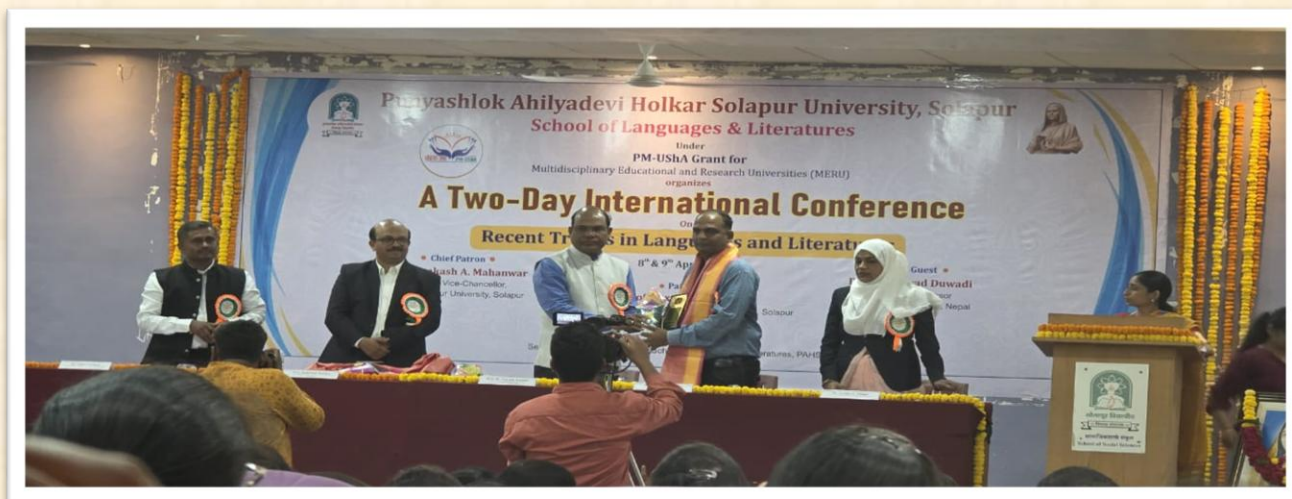

मार्गदर्शन करताना डॉ. सपना मल्होत्रा व्यासपीठावर उपस्थित प्राचार्य डॉ. सुरेश ढेरे, डॉ. वनिता सावंत, डॉ. आय. एम. सय्यद, डॉ. विघ्नेश नादरगी

संस्थेच्या लक्ष्मीबाई भाऊराव पाटील महिला महाविद्यालयात आयोजित करण्यात आलेल्या करिअर विषयक मार्गदर्शनपर व्याख्यानात प्रमुख पाहुणे म्हणून त्या बोलत होत्या. अध्यक्षस्थानी महाविद्यालयाचे प्राचार्य डॉ. सुरेश ढेरे होते. व्यासपीठावर डॉ. वनिता सावंत, डॉ. आय. एम. सय्यद, डॉ.

विघ्नेश नादरगी, डॉ. मेंते यांची उपस्थिती होती. पुढे बोलताना मल्होत्रा म्हणाल्या की, करिअरची निवड करताना विद्यार्थ्यांनी स्वतःच्या क्षमतांचाही विचार करावा. यावेळी त्यांनी कंपनी सेक्रेटरीज कोर्सचे स्वरूप, प्रक्रिया आणि अभ्यासक्रमाची माहिती दिली.

School of Languages and Literatures

International & National Conference in School of Languages and Literatures – 2025

Background:

Language is more than just a language. It transmits culture. Language and communication are essential for close relationships, mutual understanding, social interaction, and fruitful business contacts between people. Knowledge and passion for language and culture are bred into the bones of language. We believe that knowledge and passion can contribute to strengthening the relationship between people and organizations in an intercultural environment. It is ubiquitous & present in our thoughts, dreams, prayers, meditations, and relations. Besides being a means of communication and a storehouse of knowledge, it is an instrument of thinking as well as a source of delight. By keeping in mind, the importance of language and the vision of increasing the employability of the students,

the University established the School of Languages and Literatures in the academic year 2018-2019. The eight departments are working under the School of Languages and Literatures: Department of Marathi, Hindi, English, Urdu, Sanskrit, Pali, Prakrit and Kannada. The major aim of the school is to develop communication skills which are important for personality development and employability. It also aims to enhance the knowledge of language and literature. Moreover, the syllabus of the school emphasizes the employability of the students by developing translation skills and other soft skills. To meet these aims effectively, the school adopts innovative teaching methods and organizes workshops, seminars, conferences, debates, and group discussions.

Visions

- ✚ The School of Languages and Literatures at Punyashlok Ahilyadevi Holkar Solapur University, Solapur seeks to promote the University's vision to facilitate the students with world-class teaching-learning experiences of language and literature to enhance their employability and produce nationally committed human resource.
- ✚ It envisions participating in the process of making languages as a language of new technologies and optimizing their use in computer-based instruction systems.
- ✚ It also envisions developing excellent proficiency in language and inculcates an aesthetic sense to read literature in its all-possible contexts.
- ✚ It envisions the conservation of endangered languages like Sanskrit, Hindi, and Pali and inspires young generations to acquire fluency in endangered languages, and communication and decrypt the ancient treatises for the benefit of mankind.
- ✚ It also tries to preserve and promote human values and aesthetic values, amidst consumerism through the teaching of language, literature, and culture.

Missions:

- ✚ To sustain the cultural significance of language by developing syllabi of contemporary significance and cultivating interest in the students of the new-generation in the indigenous languages.
- ✚ To provide high-quality curricula, innovative IT-based pedagogy of higher education, and cutting-edge research opportunities to contribute towards the creation of benevolent and compassionate students of language and literature.
- ✚ To facilitate the students with enriched teaching-learning experience in language through its curriculum, it attempts to provide contemporariness to the language and literature studies and contribute to the project of sustaining the languages and maintaining the cultural identity in the age of globalization and homogenization.
- ✚ To facilitate the students with the opportunity to learn the ancient languages: Sanskrit, Pali and Prakrit to understand their literature in their proper cultural context.

The Department of Marathi

The Director of School of Languages & Literatures addressing to the students

In the academic year 2018-2019, the department of Marathi was established. It offers M.A. Programmes and also a research center for Ph.D. programmes. In this way, the Department of Marathi tries to study Marathi Language from various angles of contemporary significance. Moreover, various books and reference books are made available in the Karmvir Dr. Mamasheeb Jagdale Knowledge Resource Centre of the University for the students. On the other hand, it organizes seminars, workshops, and conferences to introduce students to new areas of research in Marathi language and literature. It also celebrates *Marathi Bhasha Pandharawada* and *Marathi Bhasha Gaurav Din* to contribute to the national objective of conservation and development of indigenous languages.

Goals::

- ✚ To provide the students with the opportunity to learn Marathi Literature and understand it in its social, political, and cultural context.
- ✚ To facilitate the students with the primary and secondary resources to promote advanced research in the area of language and literature.
- ✚ To enable students to use Marathi as an input for the computer-based instruction systems

To achieve these goals, the syllabus focuses on the following subjects:

- ✚ Ancient and Modern Literary Tradition
- ✚ Marathi Language for Media
- ✚ Translation Studies

Academic Activities:

- ✚ Organized various programs on the occasion of *Marathi Bhasha Sanvardhan Pandharawada* between 18 and 28 January 2025.
- ✚ Organized one-day Workshop on NET-SET Exam Paper-III
- ✚ Organized educational tour between 28 February and 3 March 2025.

Department of Hindi

A Ten-Day Ph.D. Course Work organized by the department

In the academic year 2018-2019, the department of Hindi was established. The department offers two years PG Programme in Hindi Language and Literature and research degrees- Ph.D. course. Besides effective and resourceful curriculum, the department also provides training in translation and script writing for electronic media. The department always engages the workshop, seminars and conferences to make the students up date with recent trends in the contemporary academics. It also provides NET&SET guidance by organizing workshops and guest lecturers for the aspirants.

Goals:

Department of Prakrit

While felicitating Gold Medalist & A guidance session of Dr. Jaykumar Upadhye, New Delhi for the students of the department in the academic year 2019-2020, Department of Prakrit was established. It offers M.A. Programme as well as it is a research centre for Ph.D. course. In this way, Prakrit Department tries to study Prakrit Language with various angles of contemporary. significance. Moreover, the various books and reference books are made available in the Karmvir Dr. Mamasahab Jagdale Dnyanstrota Kendra of the University for the students. The library of the University is equipped with reference books and classics. Moreover, the University provides digital classrooms and well qualified lectures for the students. On the other hand, the department organizes seminars, workshops and conferences to introduce students with new areas of the research in Prakrit language and literature. Besides effective and resourceful curriculum, the department also provides training and translation for ancient Prakrit literature. The department also provides NET/SET guidance through organizing workshops and guest lectures for the aspirants.

Goals:

- To provide the students with the opportunity of learning Prakrit Literature and understand it in its social, political and cultural context.
- To facilitate the students with the primary and secondary resources in order to promote the advanced research in the area of language and literature.
- To increase employability of the students by making them efficient in use of Prakrit language and literature.
- To inspire the students to undertake the research in the area of Prakrit Linguistics and Literature
- To contribute in preservation and conservation of Prakrit language.
- To develop research aptitude among the students and encourage them to participate in the social welfare-oriented research.

In order to achieve these goals, the syllabus focuses on the following subjects.

- Ancient Literary Tradition and Script
- Medieval Indian Languages and Literature
- Pre-modern Languages and Literature

Academic activities-

1. Educational Tour to Pune, Lohgad and Karla between 6 February and 9 February 2024.
2. Organized Guidance session of Dr. Jaykumar Upadhye, New Delhi for the students of the department.
3. A One Day Workshop on NET/SET Preparation organized on 27 March, 2024

Department of Kannada

Special Guest Lecture of Dr. Vijaykumari Karikal was organized on “Ansha Chandasina Mattagalu”
On 20 February, 2025.

Solapur is a multi-lingual city. There are more than five languages spoken by the people. Kannada is one of them. It has got a history of eight hundred years. Shivayogi Shri Siddheshwar has created a great history by his social-spiritual-literary works. It goes to his credit that he is the first Kannada writer of this region. This border area is rich in Folk- Literature and Folk-art still there are dozens of writers who are working on Kannada Literature, culture and translation.

In the academic year 2019-2020, the Department was established. It offers M.A. Programme as well as it is a research centre for Ph.D. It promoted, encouraged and co-operated the students to have education through Kannada. The students learn Kannada literature, Karnataka culture by which they understand the national integrity and cultural harmony. To produce the well knowledgeable, sincere, good humanitarian students for the society of this border area, the department had organized seminars, workshops and conferences to introduce students with new areas of the research in Kannada language and literature. The course is equivalent to the courses taught by the Universities like Karnataka, Gulbarga, Mysore, Mumbai and Bangalore University. They are taught almost all the forms of literature from ancient to modern period.

Goals:

- ✚ To enhance the commitment of faculty and students towards unity in diversity, social justice and democratic citizenship.
- ✚ To produce true teachers and lecturers of high caliber.
- ✚ To sustain the cultural identity through the teaching of Kannada Literature.
- ✚ To develop co-ordination between Kannada and Marathi Language and Literature with communication skills.
- ✚ To develop cultural heritage in the border area.

In order to achieve these goals, the syllabus focuses on the following subjects:

- Kannada Literature
- Cultural Studies
- Kannada Linguistics
- Translation Studies

Academic Activities:

1. Special Guest Lecture of Dr. Vijaykumari Karikal was organized on “Ansha Chandasina Mattagalu” on 20 February, 2024.
2. A One Day Workshop on NET/SET Preparation organized on 27 March, 2024.

School of Performing Arts and Fine Arts

Background

The School of Performing Arts and Fine arts is established in 2019 in the Punyashlok Ahilyadevi Holkar, Solapur University, Solapur. Solapur is one of the important cosmopolitan cities on the borders of Maharashtra state. It has a substantial population of Kannada and Telugu speaking people in addition to its state language Marathi. Even within Maharashtra also it is known as the gate way of Marathwada. The traditional We avers community is mostly Telugu origin whereas the Kannadigas are traders. In addition, there are many other communities migrated from other parts of the country and it makes altogether a different mix of cultures. The district is known as the land of saints. Millions of Warkaris visit Pandharpur in a year. The Mridanga and Taal are important musical instruments they use to recite devotional songs/Abhang. People here love music and other performing and fine arts. Many artists from Solapur in the field of Dramatics, Classical Vocal/Instrumental Music have achieved commanding heights and many more are eager to make their career in these fields. It was the need of the hour which was realized by our Hon. Ex-Vice-Chancellor Dr. Mrinalini Fadnavis and she decided to open these avenues of career for the students.

The school of performing arts offers 2years fulltime comprehensive master's degree Programmes in classical vocal music, percussion instruments like Tabla/Pakhawaj and Dramatics. The goal is to train students to develop their creative talent and abilities there by attaining a systemic understanding of the art and science of performing arts and its aesthetic applications. To prepare students to explore opportunities in the field of performing arts and fine arts. Teachers are also encouraged continuously to participate in seminars, workshops, competitions and cultural programs and such interactive programs. The objective of

the music training and education imparted in the faculty of performing arts is to make the students all-round musician and performer, aware of the various concepts and issues involved. The faculties and students are striving hard to make it a center of excellence.

Programmes Offered: -

Sr. No.	Name of the Programmes	Intake

School of Technology

Five Years Integrated M. Tech Programme in Cosmetic Technology:

Every human being wants to be attractive and fresh, which improves his or her personality. Cosmetic Technology is a science which enhances the appearance or odour of the human body. The chemical compounds used in cosmetics, their preparation, testing and its developments from natural and synthetic sources is a rapidly developing field. The research of different products gives very high value addition and has very high economic importance in the commercial world. Cosmetic Technologies have been at the forefront of innovative personal care manufacturing for over twenty years. The Programme gives extensive knowledge of Cosmetic Formulation, Manufacturing, Analysis and Marketing. It also covers the fundamental aspects of cosmetic science that are necessary to understand material development, formulation, and the dermatological effect that result from the use of tissue products.

Highlights of Some Career Options after M. Tech Programme in Cosmetic Technology:

- ✚ Beauty Product Companies
- ✚ Colleges & Universities
- ✚ Fashion Content Writing
- ✚ Luxurious Hotel & Resorts (Parlors)
- ✚ Spa Centers
- ✚ Television and Film Industries

Types of Job:

- ✚ Cosmetologist
- ✚ Manufacturer sales representative.
- ✚ Nail care/ Hair care / Makeup Artist.
- ✚ Beauty Magazine writer.
- ✚ Salon sales consultant/ Beauty care distributor.
- ✚ Teacher and Lecturer in Cosmetic Institutions.
- ✚ Cosmetic Business development manager.
- ✚ Brand Manager.
- ✚ Cosmetic chemist and Scientist.
- ✚ Beauty Consultant.

Eligibility:

- ✚ Students with H.S.C. with Science Stream.
- ✚ Students with B.Sc. (B group) are eligible for the direct admission to 3rd year after successful completion of Induction Program.
- ✚ Students with D.Pharm. are eligible for the direct admission to 2nd year.
- ✚ Students with B.Pharm. are eligible for the direct admission to 3rd year.

Programme Duration: Integrated Five year (4+1)

Intake Capacity: 30 Students

General Document Required:

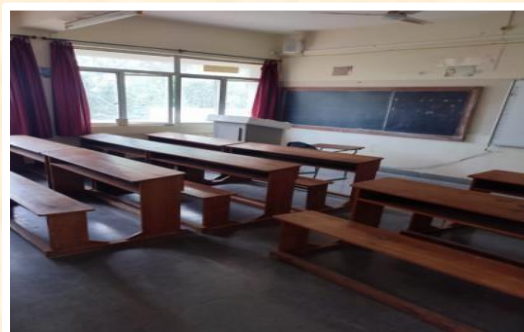

- ✚ S.S.C(10th) Mark sheet and Certificate
- ✚ H.S.C(12th) Mark sheet and Certificate
- ✚ Mark sheet of Degree /Diploma (applicable for B.Sc. / B. Pharma/ D. Pharm.)
- ✚ Leaving Certificate from Last attended College.
- ✚ Degree Certificate
- ✚ Domicile / Nationality
- ✚ Aadhar Card

Additional Document Required by Reserved Category Candidates:

- ✚ Caste Certificate
- ✚ Caste Validity Certificate
- ✚ Non-Creamy Layer Certificate.

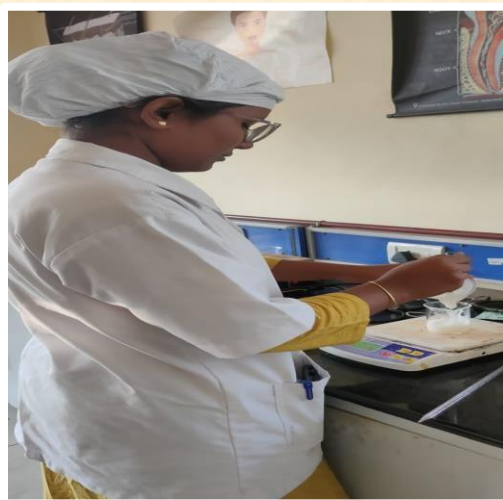

About School of Technology:

School of Technology was established in 2018. In this school the integrated M. Tech. in Cosmetic Technology was initiated in 2018. The Programme Started under the premises of School of Chemical Sciences. The Programme helps to advance the science of cosmetic and toiletries. There is special emphasis on the preparations from herbal and natural origins. Other benefits of this Programme are to encourage research and development in cosmetic and related sciences. This Programme also gives them good and solid base for further studies in this field. The school is having well equipped Labs, smart digital classrooms. Students prepare and analyse various Cosmetic preparations in the laboratory. Hostel and Canteen facilities are available in the campus. Instrumentation center is available with high end instruments.

Cosmetic technology laboratory:

Cosmetics Preparation (Along with Herbal Preparation):

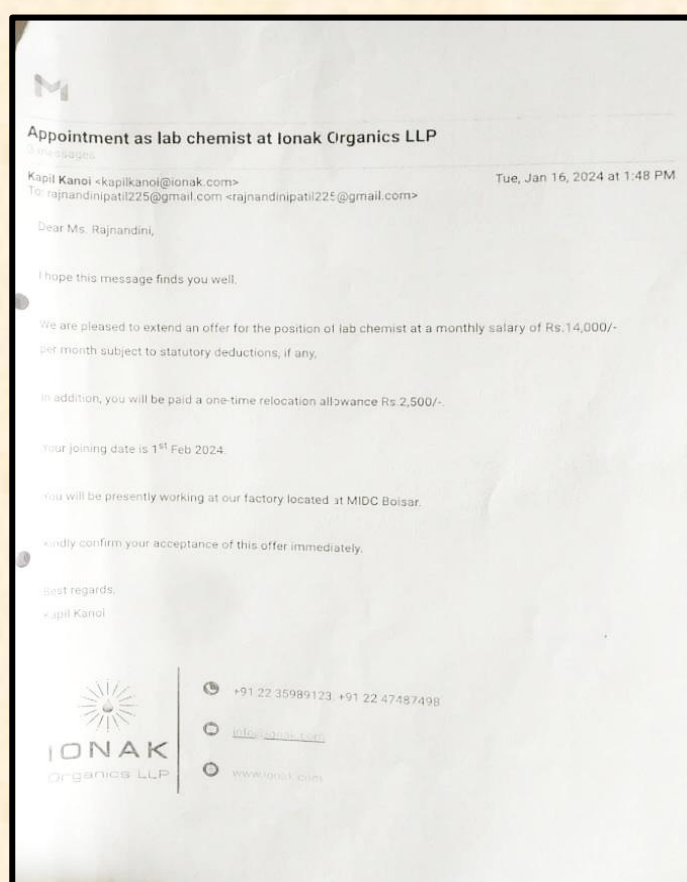

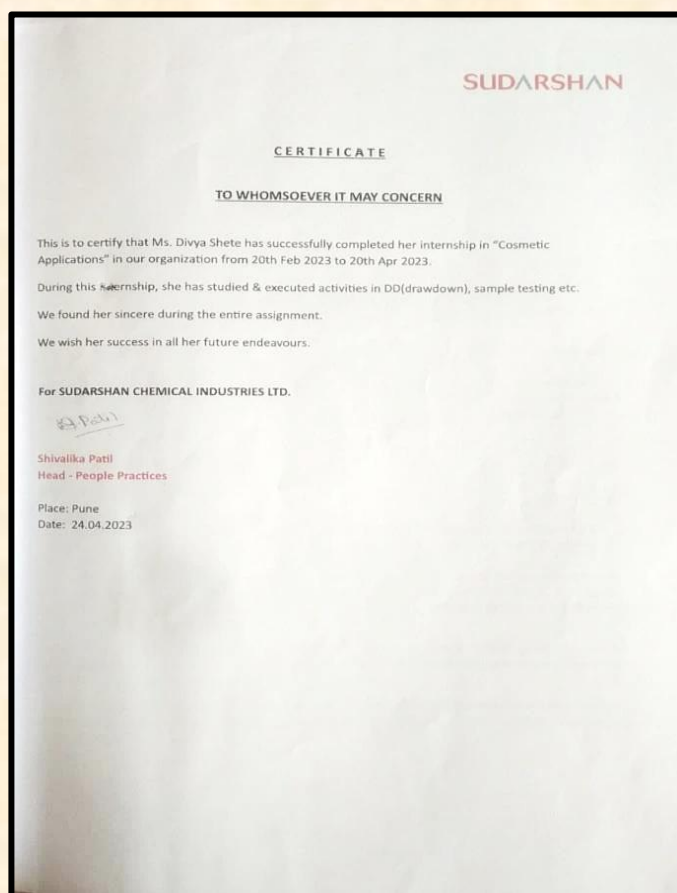

Internship

Industrial Training for Final Year Student at Maxima Solutions, Thane and Sudarshan Chemical Pune

One student from 5th Year received Paid Internship at Ionak Organic LLP Mumbai along with House rent allowance.

One student from 5th Year paid Internship at Hikel Ltd, Pune along with HRA.

Placement

100 % Placement for the students immediate after completing the Programme having salary range from 15000-18000 per month, students have placed in Gujarat, Karnataka and Maharashtra.

School of Social Science

Empowering Minds to Transform the World

School of Social Sciences was founded in the academic year 2009-10, the School of Social Sciences at Punyashlok Ahilyadevi Holkar Solapur University stands as a beacon of academic excellence, innovation, and societal impact. Driven by a bold mission to continuously evolve through benchmarking, global collaborations, and forward-thinking programs, the School embraces the spirit of interdisciplinary learning in the era of globalization. We go beyond traditional education by nurturing not just intellectual growth, but also leadership, creativity, and holistic personality development. With a dynamic blend of theory, skill enhancement, and real-world application, our students engage in a vibrant academic life filled with seminars, workshops, debates, fieldwork, and hands-on projects. Rooted in the core disciplines, act ethically, and lead confidently. Our distinguished alumni, who have left their mark in prestigious government and private sectors, are a testament to our enduring legacy. At the School of Social Sciences, education is not just about earning a degree — it's about transforming lives and shaping futures. We take immense pride in our excellent placement record and our ever-evolving curriculum that mirrors the latest global trends. With open arms and a spirit of collaboration, we warmly invite students, recruiters, and all stakeholders to become a part of our journey toward excellence, innovation, and change. Welcome to a place where ambition meets opportunity, and dreams take flight!

Prof. Dr. Gautam S. Kamble
Senior Professor & Director
School of Social Sciences

We are delivering our service with following departments-

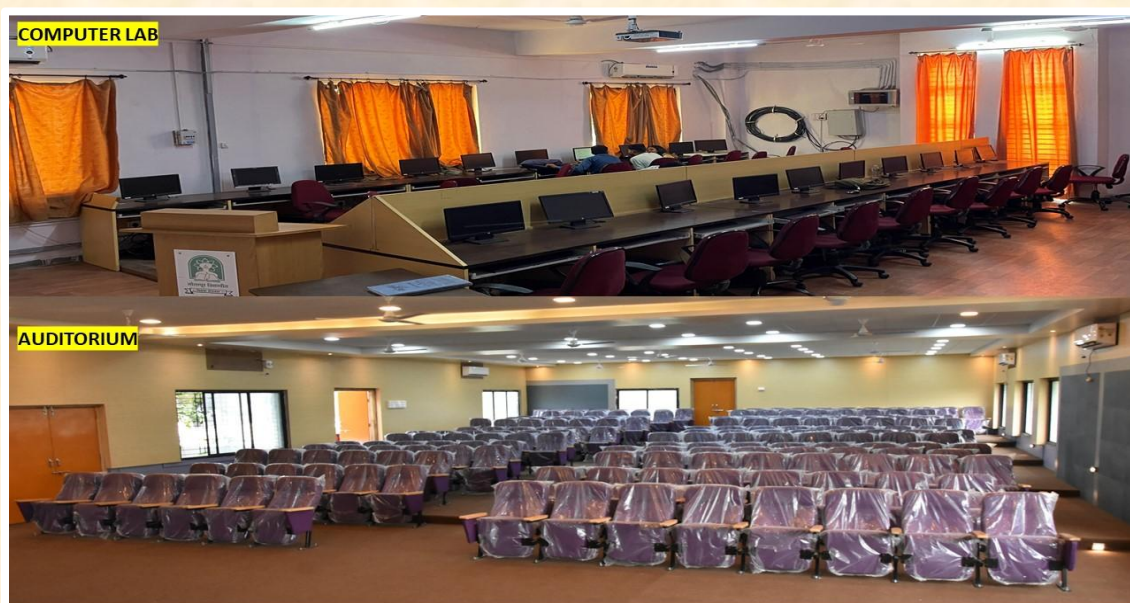

Why Choose Programmes at the School of Social Sciences?

- ✓ Highly Qualified and Experienced Faculty
- ✓ Innovative and Interdisciplinary Curriculum as per National Education Policy
- ✓ Strong Focus on Research and Real-World Applications
- ✓ Balanced Approach to Academic and Personality Development
- ✓ Opportunities for Fieldwork, Practical's, and Community Engagement
- ✓ Excellent Placement Record in Leading Organizations
- ✓ Vibrant and Inclusive Campus Life
- ✓ Frequent Workshops, Seminars and Expert Lectures
- ✓ Focus on Global Competence and Leadership Skills
- ✓ Curriculum Continuously Updated to Meet Global Standards
- ✓ Strong Emphasis on Skill Development and Employability
- ✓ Active Student Clubs and Societies for Extra-Curricular Development
- ✓ Access to Modern Facilities, Libraries, and Research Centers
- ✓ Encouragement for Innovation, Creativity, and Critical Thinking
- ✓ Dedicated Career Guidance and Placement Support
- ✓ Opportunities for National and International Collaborations
- ✓ Hands-On Training through Internships, On Job Training and Live Projects
- ✓ Supportive Environment for Students from Diverse Backgrounds
- ✓ Commitment to Social Responsibility and Ethical Values
- ✓ A Proud, Inspiring, and Ever-Growing Alumni Network

Department of Ancient Indian History, Culture & Archaeology (AIHC&A)

The **Department of History and Archaeology** at Punyashlok Ahilyadevi Holkar Solapur University has been shaping future historians and archaeologists since 1998. Designed to immerse students in the rich legacy of Ancient Indian Heritage, Culture, History, and Archaeological studies, the programs at the department offers a perfect blend of academic rigor and hands-on experience. Students have the unique opportunity to actively participate in real-world excavations, including prestigious digs at Wakaw (Madha Taluka, Solapur District), Karkal (South Solapur, Solapur District), Shirur (North Solapur, Solapur District), Ter (Osmanabad District), Narkhed (Mohol, Solapur District), and Charthana (Parbhani District). Specialized training programs in excavation techniques and museum conservation further equip students with industry-ready skills. The department proudly celebrates its success stories, with students securing coveted positions as Assistant Archaeologists in the Archaeological Survey of India (ASI) and Maharashtra State Archaeology, as Curators in reputed museums, and as educators and researchers nationwide. Several students have also qualified for competitive exams like NET and SET and earned prestigious fellowships such as the Rajiv Gandhi National Research Fellowship and ICHR grants. With a strong record of academic excellence, field training, and professional placements, the Department of AIHC and Archaeology invites passionate learners to embark on a journey of discovery, preservation, and innovation. Join us to uncover the past and shape a promising future!

Facilities in the University Campus

- **Instrumentation Centre**

The University has developed a central instrumentation centre to facilitate scientific observations and analysis of different samples by sophisticated instruments of the research students, industries and other interested entities at nominal fees. This centre has been adding value to the research and utility prospects of materials.

- **Innovation, Incubation and Linkages**

The Incubation Centre at PAHSUS supports scientific and social entrepreneurship by offering guidance, mentoring, space, and funding networks. It promotes impactful and sustainable startups by assisting from problem identification to solution implementation. The centre fosters innovation, product development, and knowledge creation with a focus on social, economic, and ecological impact. Key activities include venture selection, mentoring, seed funding, infrastructure support, and resource networking. It aims to build a self-sustaining entrepreneurial ecosystem and reduce migration of skilled youth to urban areas.

- **Skill Development Centre**

There are many skill development courses conducted by the University's Skill Development Centre to enhance the skill, technical ability and potential employability of the campus students. Students can take admissions in these courses as per their choice and future plans. These courses are purely autonomous and not included in the core course curriculum. Separate certificates are issued after successful completion and passing of the respective examinations.

- **NSS Department**

The University has a strong NSS unit and has won the Best University for NSS, Best NSS Programme Co- Ordinator and Best Student Volunteer of the State Awards From Government of Maharashtra in Year 2008 – 2009. Students can join the NSS unit during their post graduate studies.

- **Student Development Department:**

As per the Maharashtra Public University Act 2016, PAH Solapur University has an organized Student Development Unit to facilitate all round quality improvement of talents of students admitted in the University campus and affiliated colleges through various student centric programs. University teams are specially coached to participate and win laurels during youth festivals and other competitions held at different state and national levels. The record of such achievements are noteworthy for a young University.

- **Sports and Physical Education Department**

There is a strong sports unit working in the campus that nurtures and monitors the sports spirit and potentials of the interested students and staff. Several in-house games and competitions are organized on various occasions. Sixteen Sports grounds are developed in the campus to enable students to practice and conduct competitions. The University hosted the Inter-University Krida Mahotsav 2019 of the state of Maharashtra at the behest of Hon'ble Governor's office at different fields/ courts specially developed to conduct such games/ sports. Students are coached and guided to participate at different state and national sports/ games events.

- **Health Centre**

The University has established a Health Centre with the main objective to provide basic primary healthcare to students and staff of the university. Besides providing health services, various health awareness camps and programmers such as anemia and blood checkup, diabetes and hypertension check-up and bone density check- up, etc. are frequently organized by the Health Centre.

- **University Hostels**

Inside the Campus, University has Boys' and Girls' Hostels. The Girls' Hostel has an accommodation facility for 200 girls and the Boys' Hostel has a capacity of 100 boys. The admission to the Hostel is strictly on merit basis and as per reservation rules. The Hostel mess is compulsory. On cancellation of hostel admission, the hostel deposit is refunded.

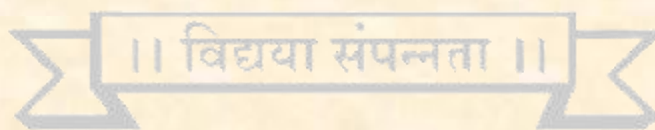

- **Competitive Exam Coaching Centre:**

In order to assist the students belonging to weaker sections, especially of SC and ST categories, the University has become a sub-Centre of **BARTI and TRTI** to guide and coach them for the UPSC, MPSC, Banking and other competitive exams. The students are provided with stipend and lodging facilities.

- **Post Office Services:**

There is a Sub-post office functioning in the campus to support the students, staff and administration in sending their documents/ letters/ parcels and also deposit their money in a post bank account for transactions.

In addition to these (as above), there are many other Campus facilities are available and students' supporting Earn and Learn scheme, Girl students' adoption scheme, International Students' Cell, Incubation Centre, Lab on wheels, Cafeteria, Student Facilitation Centre, Students' insurance, Mobile ATM, Community Radio Centre.

NAAC Accredited-2022
'B++' Grade (CGPA-2.96)

Admission Rules

Eligibility for Admission:

1. Admission to post graduate programmes in the affiliated Colleges / Institutions and University Departments shall be strictly based on a) Eligibility criteria as prescribed by the University from time to time; b) Reservation rules as prescribed by the State Government from time to time and adopted by the University and c).

1. A student satisfying the eligibility criteria of the course and has passed the entrance examination conducted by the University shall be eligible to take the admission.
2. Other University students satisfying the eligibility criteria of the course and have passed the entrance examination conducted by the University shall be eligible to take the admission.
3. Merit list will be prepared by considering marks obtained by the candidate in the entrance exam only.
4. In case of other university students, the merit list will be prepared on the basis of entrance examination marks only.
5. At the time of preparing the merit list of the students to be admitted, the Admission Committee shall consider the marks obtained in the entrance examination. In case there are two or more students with the same marks, the total marks obtained by these students at UG part-I, II and III Examinations shall be considered. Even after this, if the student continues to obtain equal marks, the marks secured by the students in the second year examination in the same subject shall be considered.
6. In case of students from other Universities applying for admission to postgraduate programmes of this university, it shall be necessary to ensure equivalence of the degree course offered by the said students. The quota for the students from other Universities in the State of Maharashtra will be 10 percent of the intake capacity, and in the case of the students from other Universities the reservation rules shall apply thereto.

In case any seats from this quota remain vacant, students in order of merit shall be admitted from the waiting list.

2. In view of the problem of dropouts, additional 10 percent of the sanctioned intake capacity may be admitted in the post graduate programmes in the Affiliated Colleges/ recognized Institutes/University Departments/Autonomous Institutions, subject to the general rules of the admission framed by the university from time to time and with prior permission of competent authority of the University.
3. In case of admission to second and/or third year of the post-graduate programmes, preference shall be given to the students of the same department. However, if vacancies remain, other things being equal, students from other post-graduate departments may be admitted.
4. a) For the admissions to University Departments/ Colleges which runs the program, there shall be an Admission Committee to monitor the admissions. The Admission Committee shall be constituted as under:
 - A. Director of the School (Chairperson)
 - B. Head of each Department
 - C. Principal or his nominee of the concerned college
 - D. One Associate Professor/ Assistant Professor from reserved category
 - E. One Associate Professor/ Assistant Professor (Secretary)

b) For the admissions to PG programmes offered at Affiliated Colleges / Recognized Institutions /Autonomous Institutions (which programmes are exclusive in the Colleges) the Admission Committee be constituted as under:

- a. Chairman (nominated by the University)
- b. Principal / HOD / Nominee of Concerned College
- c. One Professor/Associate Professor/ Assistant Professor (from reserved category)
- d. Assistant Registrar/ PG section senior person (Secretary)

5. The foreign students shall be admitted to any Post-Graduate Programmes in a Recognized Institution /Affiliated Colleges /Autonomous Institution or in the University Department in addition to sanctioned seats as per the directives of the UGC / State Government on producing provisional eligibility certificate from the University. For obtaining provisional eligibility certificate, the foreign student shall apply along with necessary certificates to the University in the form prescribed by the University and pay fees as prescribed by the University from time to time.
6. Students participating in sports / cultural / other competitions securing at least fifth rank in the National, Inter-University sports/ cultural events (individual or Team) may be considered for admission as a special case, subject to the approval of the Hon'ble Vice- Chancellor.
7. One additional seat is to be reserved for each Programmes on the campus to the kin or ward of PAH Solapur University employee (Regular on roll) subject to the approval of the Hon'ble Vice-Chancellor.

Important Instructions about Admission:

1. General merit list will be displayed on the University web site <http://sus.ac.in> under Admission and Eligibility tab.
2. The university will not make any individual correspondence.
3. List of students called for First and Second Round of counselling will be displayed on the University web-site as per the schedule and it is the responsibility of the students to check the list and attend the counselling rounds.
4. Students should attend the round in person along with original documents and prescribed amount of fees.
5. Students who remain absent on specified date and time of the counselling, will be considered only for spot admission as per merit and reservation against vacant seats, if any.
6. It is compulsory for the student to take admission for the Programmes in university department/college after being allotted by the admission committee. If a student fails to take the admission in specified time given by the admission committee, he/she will not be considered for admission in any subsequent round except spot round.
7. Decision of the admission committee shall remain final.

Cancellation Rules:

Cancellation of admission and refund of money shall be as under:

1. Cancellation of admission and refund of money shall be made as per the Public Notice (F.No.1-3/2007 (CPP-II) date 23rd April, 2007 & F. No. 6-1(7)/2006(CPP-1) date 22 June, 2011) by University Grants Commission, New Delhi.
2. A student shall not be entitled to claim refund of tuition fees, if he leaves the college or the institution after the last date of admission to such college/Institution and no substitutional admission is done to that seat.
3. On cancellation of admission, the student from reserved category will have to pay the fees as per university rules.
4. All Deposits such as Caution Money, Library Deposit, Laboratory Deposit, etc. shall be refundable subject to such deductions as may be necessary on account of any damage to the property of the institution concerned such as breakages to Laboratory equipment, loss of library books etc. for which a student is found responsible. [The application for refund of such deposits shall be made within six months either from the date he/ she leaves the college or completes the Programmes and the said institution shall refund the amount within 30 days from the date of receipt of application.]
5. Only tuition fees and no other fees shall be refundable.
6. If a student gets his admission at another college or institution providing Programmes different from those in the College or the institution to which he had first sought admission and paid tuition fees provided that he has kept the authorities of such a college or the institution informed in time about his application for admission to another college or institution. The application for refund of tuition fees in such cases must be forwarded through the Principal of the College or Institution which the student actually joins, giving pertinent details such as the Programmes selected

by him, the date of his application for admission to the college or institution concerned, the date of his admission to the college or institution, etc.

7. In the case of a student, who fails to inform the authorities of the college or the institution to which he has been given admission, about his intention to leave or change the college or the institution, such authorities shall be entitled to charge full fees for the term or the year, as the case may be.
8. These rules shall not be applicable to colleges/ institutions run by the State Government.
9. Last date for the admission to the P.G. programmes will be given at time of counselling. However in specific cases admission may be granted upon approval from Hon'ble Vice-Chancellor.

Reservations for different categories as per the Government policy:

1. Scheduled Caste and Scheduled Caste persons who have adopted Buddhism (SC): 13 %
 2. Scheduled Tribe (ST): 7 %
 3. Denotified Tribes (14 Similar Tribes) (VJ/DT) A: 3 %
 4. Nomadic Tribes (28 Tribes before January 1990 and similar tribes) (NT-1) B: 2.5 %
 5. Nomadic Tribes (Dhanagar and Similar Tribes) (NT-2) C: 3.5 %
 6. Nomadic Tribes (Vanjari and Similar Tribes) (NT-3) D: 2 %
 7. Other Backward Class (OBC): 19 %
 8. Economically weaker sections (EWS): 10 %
 9. Special Backward Class (SBC): 2%
 10. Special Economic Backward Class (SEBC): 10%
- 2% seats are available for SBC category if seats from reserve category remain vacant at the time de- reservation.
 - In the 40 % seats of the Open Category and 60 % seats of the Reserved Categories, for the following type of candidates shown percentage of seats will be independently reserved (Internal Reservation).
 - Candidate having a certificate from Civil Surgeon specifying that the candidate is physically handicapped and having minimum 40 % disability – 5 % quota. (27 August, 2018).
 - Son/Daughter/Husband/Wife of Active Military Services Personnel and Ex. Military Services Personnel and Ex-Serviceman Personnel himself- 2 % quota.

(Note- This being the internal reservation, seats will be filled on merit in the beginning only. Correspondingly the number of seats will be reduced from the respective categories.)

- **If any seats remain vacant in reserve category it will be filled through following interchangeability process mentioned below:**

Group 1	I.	Scheduled Caste and Scheduled Caste persons who have adopted Buddhism (SC)	II.	Scheduled Tribes (ST)
Group 2	I.	De-notified Tribes (VJ) (A)	II.	Nomadic Tribes (B)
Group 3	I.	Nomadic Tribes (C) Other Backward Castes (OBC)	II.	Nomadic Tribes (D)

- After following the admission rule, if some seats still remain vacant then those will be filled on the basis of a consolidated merit list of all remaining backward class candidates.
- After this, if some seats reserved for backward class remain vacant, they will be filled from the merit list of open category candidates.

General Instructions

Students of this University must submit their transference Certificate (From the college last attended) before the last date of admission without fail.

1. Students should apply for an Eligibility Certificate after their admission to this University.
2. Every student must arrange to have an identity proof at the time of his/her admission.
3. Seats are reserved for students belonging to Scheduled Castes, Scheduled Tribes etc. as per the Resolution passed by the State Government from time to time.
4. No application form for admission to an examination will be accepted unless all dues are cleared by the student.
5. Concession for the wards of Kashmiri migrants will be given as per government of India Minister of Human Resource Department letter dated 15 October, 2019.
6. 10% Seats of total intake capacity will be admitted from Ex-servicemen / Defence personnel wards as per Government of Maharashtra, Department of education and employment circular dated 13/06/1995.

Disciplinary Rules

As per Section 127 (1) of the Maharashtra Public Universities Act, 2016, the rules of discipline and proper conduct of the students of the University Department, affiliated colleges, recognized institutions, autonomous college/ institutions shall be as follows:

1. As part of discipline, students are required to attend functions, celebrating Days of National Importance.
2. The students shall attend the classes, practical and seminars, etc. whenever prescribed, regularly so that the requirements of minimum attendance as prescribed under the Act, the Statutes, the ordinances and rules/regulations made in that behalf are fulfilled.
3. It shall be binding on the part of the students to see that no damage is done to the property of the concerned institution in any manner.
4. Code of Conduct in short:
 - a. The students shall behave with their classmates, teachers, authorities and the non-teaching employees of the concerned institutions in a responsible manner.
 - b. The student shall behave in a fair and friendly manner in all extra and co-curricular activities.
 - c. The student shall participate in educational tours, Youth festivals and other collective activities wherever prescribed in a constructive manner, ensuring fulfilment of the objectives of the said activity under strict supervision and guidance of the teachers/officers/authorities of the concerned institutions.
 - d. It shall be obligatory on the part of the students to make a proper use of the Laboratory/Library/Study Room and other common facilities without causing inconvenience or damage to the other users, and the property.
5. The resident students shall be governed by the rules and regulations in respect of hostel accommodation/official premises as prescribed by the concerned institution.
6. The students involved in any attempt of common-offs, vulgarism, gundaism, man-handling, eve-teasing, malpractices or participation in criminal acts shall be liable for punishment.
7. Students must not organize / involve in celebrations of any event / programmes / gathering without the prior permission of authority.
8. Prevention of Ragging in Educational Institutions:
 1. The provisions of Anti-Ragging Legislation of the State Government shall govern the students, and / or rules made in this regard from time to time by the concerned institution.
 2. Ragging is any act which violates the dignity of the individual student or is perceived to violate his / her dignity. Broadly ragging can be categorized in following way – i) Verbal Ragging, ii) Severe Verbal Ragging, iii) Physical Ragging, iv) Sexual Ragging

For various types of ragging the punishment such as imprisonment or fine or both is prescribed with expulsion etc, if found guilty of ragging.

9. Anti – Ragging Committee / Squad: Anti Ragging squad has been constituted at university level as per the order of Hon'ble Supreme Court of India (D. No. 370/04/XI/-A dated 18th May, 2007). Ragging in any form is strictly prohibited.
10. Sexual Harassment Prevention Committees: There is a committee constituted for prevention of sexual harassment. Students can take help from the committee for any kind of problem of harassment.
11. All powers relating to disciplinary action against students of the University an affiliated college or recognized institution not mentioned by the University, shall vest in the principal of the affiliated college or Head of the recognize institution, and the provisions of the foregoing sub- section including the rules, if any made thereunder, shall mutatis mutandis apply to such colleges, institution and students therein.
12. तंबाखु मुक्त महाराष्ट्र अभियान: विद्यापीठाच्या शंबर यार्डच्या परिसरात तंबाखूजन्य पदार्थ आणणे, त्याचे सेवन करणे वा विक्री करणे यावर बंदी आहे. याचे उल्लंघन केल्यास रु. २००/- दंड आकारण्यात येईल.

Any breach of the aforesaid rules or any misbehaviour on the part of the student shall be liable to be punished severely in accordance with provisions contained in section 127 (3)(4) of the Maharashtra Public Universities Act, 2016.

Important Note: All the programmes are full time programmes and no candidate is allowed to do any full or part time job during Programmes

Nature of Question paper for Entrance Test

Scheme of Examination

Nature of Question paper for Entrance test of M.Sc. Programmes:

- Total Marks: 50
- 50 Multiple Choice Questions, each carries 1 mark.
- For M.Sc. Entrance Examination syllabus will be based on appx 80% of B. Sc. – III, and 20% questions will be from previous knowledge about the subject.

Nature of question paper for entrance test of M.Sc. (Computer Science):

- Total Marks: 50
- 50 Multiple Choice Questions, each carries 1 mark.
- Questions will be based on English Grammar, Quantitative aptitude, Introduction to Computers, Introduction to C and C++.

Nature of question paper for entrance test of M. A. Programmes:

- The entrance examination comprises the General Aptitude Test of 50 marks.

Instructions regarding Online Entrance Examination

- Applicants will be provided with exam link along with the login details in a separate email.
- The exam subject will be displayed on the dashboard along with the starting date-time and the ending date time.
- The link will only be active during the mentioned time. You can view the test under the “ACTIVE TEST” Tab.
- Test will be for 50 marks with 60 minutes duration.
- **Exiting full screen mode is strictly prohibited.**
 - ✚ Entrance टेस्ट ही ऑनलाइन प्रणाली द्वारे (web based online) घेतली जाणार आहे.
 - ✚ परीक्षेची link ही २४ तास खुली (Open) राहील.
 - ✚ प्रवेश पूर्व परीक्षेचा संपूर्ण तपशील पुढील पानावर दिला आहे.

Rules for the Students Appearing for PG Online Entrance Exam

1. Timing and Duration

- The test will be open from May 28, 2025 to May 30, 2025. (24 Hours)
- Pace yourself throughout the test. You have 60 minutes to complete the test.
- Monitor the time and make sure to answer all questions within the allotted time.

2. Test Format

- There will be 50 multiple-choice questions.
- Each correct answer will earn 1 mark.
- You can answer the questions in any order and review them before submitting.
- If you're unsure about a question, you can mark it for review and come back to it later if time allows.
- Use any remaining time at the end of the exam to review your answers. Make sure you haven't missed any questions and that you're satisfied with your choices.
- Once submitted, you cannot re-enter the test or edit your answers.
- All unanswered questions will be considered as Not Attempted auto-submitted when the exam time limit expires.

3. Technical Requirements

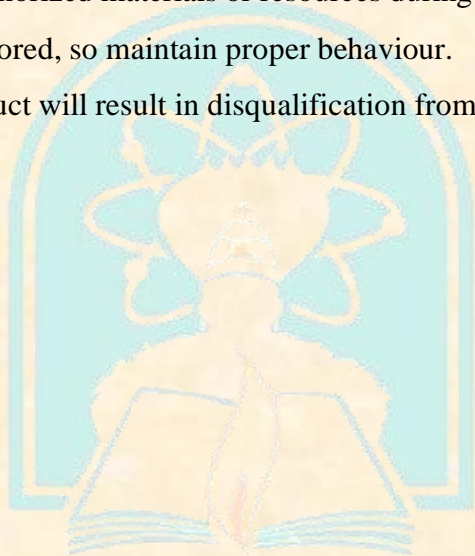

- For better user experience, we advise to use Google Chrome on a computer or laptop Instead of a mobile device
- Ensure a good internet connection.
- Choose a quiet, well-lit room free from distractions.
- Make sure you won't be interrupted or distracted during the duration of the test.
- Do not exit full-screen mode to avoid auto-submission.
- Allow microphone and camera permissions for proctoring.
- Ensure your browser settings allow for pop-ups and other requirements needed for the exam software.

4. Test Strategies

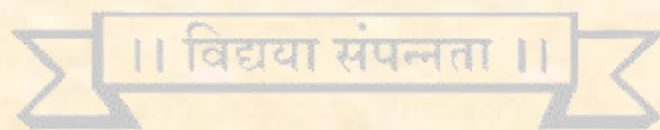

- Read each question and its answer choices carefully.
- Choose the best answer from the options provided.
- Manage your time to ensure you answer all questions within 60 minutes.
- Double-check your answers before submitting.

5. Proctoring and Rules

- Do not use any unauthorized materials or resources during the exam.
- The test will be proctored, so maintain proper behaviour.
- Cheating or misconduct will result in disqualification from admission at any stage.

5.	M.Sc. Geoinformatics	B.Sc./ M.A. Geography
6.	M.Sc. Environmental Science	B.Sc. (any Subject)/ B.Sc. Agri/ Biotechnology/ Bio – Chemistry/ Entrepreneurship (Candidates from waiting list of Chemistry may also be considered)
7.	M.Sc. Computer Science	B.Sc. Computer Science /B.C.S./B.Sc. (ECS)/ B.C.A. under Science Faculty (With Science at 10 +2 level) / B.Sc. (Mathematics /Electronics/ Statistics)
8.	M.Sc. Mathematics	B.Sc. With Mathematics as Principal Subject / Mathematics at subsidiary level
9.	M.Sc. Statistics	B.Sc. with Statistics as Principal Subject / Statistics at subsidiary Level
10.	M.Sc. Biostatistics	Any Science Graduate (having Mathematics at 10+2 Level) / B.E./ B.Tech.
11.	M.Sc. Microbiology	B.Sc. with Microbiology as a Principal Subject / Microbiology at subsidiary Level /B.Sc. Biotechnology
12.	M.Sc. Botany	B.Sc. with Botany as a Principal Subject / Botany at subsidiary Level/B.Sc. Agriculture/ B.Sc. Biotechnology
13.	M.A./M.Sc. (Geography)	B.Sc. / B.A with Geography as a Principal Subject / Geography at subsidiary Level
14.	M.Sc. Bioinformatics	BSc in Life Sciences/ Engineering/ Technology, Agriculture/ Medicine/ Veterinary Science/ Pharmaceuticals, MBBS, Physics, Chemistry, Mathematics
15.	M.Sc. Genetics	B.Sc. / B.Sc. Agriculture/ M.B.B.S/ B.Pharm. / B.Sc. Entrepreneurship

16.	M.Sc. Biotechnology	B.Sc. with Chemistry /Zoology /Botany / Microbiology /Biochemistry/ Biotechnology/ Entrepreneurship
17.	M.Sc. Zoology	B.Sc. with Zoology as a Principal Subject/ Zoology at subsidiary
18.	M.Sc. Nanotechnology	B.Sc. with Chemistry / Physics/ Electronics / Botany / Biotechnology /Zoology / Microbiology / Biochemistry/ B.Pharm. / B.Tech. / B.Sc. Agri/ MBBS/ B.E/ B.Sc. Entrepreneurship
19.	M.Sc. Agrochemical and Pest Management	B.Sc. with Chemistry / Zoology / Botany / Microbiology/ B.Sc. Agri/ Biotechnology/ Bio – Chemistry/ Horticulture / Plant Protection/ Entrepreneurship /B.Pharm.
20.	M.Com.	B.Com./ B.B.A/ M.B.A/ B.C.A.
21.	M.A. Economics	B.A. with Economics as Principal Subject/ Economics at Subsidiary level / B.Com.
22.	M.A History	B.A with History or A.I.H &C. as Principal Subject/History or A.I.H & C Subsidiary level
23.	M.A Sociology	B.A with Sociology as Principal subject / Sociology at Subsidiary level
24.	M. C. A.	As per state government and A.I.C.T.E. norms.
25.	M.A. A. I. H. C. and Archaeology	Graduate in any discipline
26.	M.A. Rural Development	Graduate in any discipline
27.	M.A. Mass Communication	Graduate in any discipline
28.	M. A. Public Administration	Graduate in any discipline
29.	M. A. Political Sciences	Graduate in any discipline
30.	M. A. Applied Psychology	Graduate in any discipline
31.	M. A. (Marathi, Hindi, English, Prakrit, Sanskrit, Urdu, Pali, Kannada.)	Graduate in any discipline
32.	M.Sc. Entrepreneurship	B.Sc. With Principal subject –Entrepreneurship, Chemistry, Biotechnology, Agriculture, Agriculture Biotechnology, Botany, Zoology, Microbiology, Bioinformatics Biochemistry, B. Pharmacy, Agri Business Management and Plant protection
33.	Five Years Integrated M.Tech. Programmes in Cosmetic Technology	Students with 12 th science background with Biology Subject.
34.	Post Graduate Diploma in Dietetics and Nutrition	Any Medical, AYUSH, Nursing, Science, Life Science Graduate, B. P. Ed, BA Physical Education
35.	M. A. (Yoga)	Any Graduate
36.	M.B.A.	Any Graduate As per state government and A.I.C.T.E. norms.

37.	L. L. M.	For admission to the LL.M. I, the candidate must have passed the LL.B. three years degree Programmes after graduation, or five years LL.B. Programmes after 12th standard or equivalent qualifications, of this university or any or her recognized university. Admission will be in accordance with the merit in the qualifying examination.

List of Programs with Government Scholarships

खालील तक्त्यात दर्शविलेल्या अभ्यासक्रमांना शिष्यवृत्ती मिळते

Sr. No.	Name of Schools	Name of the Programs Offered
1	School of Chemical Sciences	M.Sc. Polymer Chemistry
2		M.Sc. Organic Chemistry
3		M.Sc. Industrial Chemistry
4		M.Sc. Medicinal Chemistry
5		B.Sc. Paint Technology
6		B.Sc. Pharmaceutical and Fine Chemical Technology
7	School of Earth Sciences	M.Sc. Applied Geology
8		M.Sc. Environmental Science
9		M.Sc. Geoinformatics
10		B.Sc. Geology
11		B.Sc. Environmental Sciences
12	School of Physical Sciences	M.Sc. Physics (Applied Electronics)
13		M.Sc. Electronic Science
14		M.Sc. Physics (Material Science)
15		M.Sc. Physics (Energy Studies)
16	School of Computational Sciences	M.Sc. Mathematics
17		M.Sc. Statistics
18		M.Sc. Biostatistics
19		M.Sc. Computer Science
20		M.C.A.
21		B.C.A. (Bachelor of Computer Application)
22	School of Life Sciences	M.Sc. Microbiology
23		M.Sc. Bioinformatics
24		M. Sc. Biotechnology
25		B.Sc. Pharmaceutical Manufacturing and Quality (Apprenticeship Embedded Degree Program (AEDP))
26		B.Sc. Microbiology
27	School of Allied Health Sciences	M.A. Yoga
28	School of Social Sciences	M.A. Mass Communication
29		M.A. Ancient Indian History Culture and Archaeology (A.I.H.C.& A.)
30		M.A. Rural Development

31		M.A. Economics
32		B.Voc. Journalism and Mass Communication
33		PG Diploma in Electronic Media
34		PG Diploma in Museology
35		M. A. History
36		M. A. Political Sciences
37		M. A. Public Administration
38		M. A. Psychology
39		M.Com. (Advanced Accountancy)
40	School of Commerce & Management	M.Com. (Advanced Banking)
41		M.B.A.
42		B.B.A (Business Administration)
43		M.A. Marathi
44	School of Languages & Literature	M.A. Hindi
45		M.A. English
46		M.A. Sanskrit
47		M.A. Urdu
48		M.A. Kannada
49		M.A. Pali
50		M.A. Prakrit
51	School of Performing Arts	M.A. Music
52		M.A. Dramatics
53		M.A. Pakhavaj

'B++' Grade (CGPA-2.96)

An overview of the Programmes at the University Schools

Name of School & Name of the Programmes	*Intake Capacity Grantable	**Intake Capacity Non-Grantable	Entrance Exam /Merit based/ Other	Skill Oriented Certificate Programmes
School of Chemical Sciences				
1. M Sc. Chemistry (Polymer)	20	0	Entrance Exam	<ul style="list-style-type: none">● Instrumental Methods of chemical Analysis● H.P.L.C● Food processing● NMR analysis● Fermentation Technology● Textile Chemistry
2. M Sc. Chemistry (Organic)	0	40		
3. M Sc. Chemistry (Industrial)	0	25		
4. M.Sc. Chemistry (Medicinal)	0	20		
School of Earth Sciences				
1. M.Sc. Applied Geology	16	04	No Entrance Exam	<ul style="list-style-type: none">● Environmental Informatics
2. M.Sc. Geoinformatics	0	24		
3. M. Sc. Environmental Science	0	24	Entrance Exam	
School of Physical Sciences				
1. M.Sc. Physics (Applied Electronics)	20	00	Entrance Exam	<ul style="list-style-type: none">● Certificate course on PCB Design and Manufacturing using Proteus CAD● Certificate course on LabVIEW● Material Characterization Tools
2. M.Sc. Electronic Science	0	20		
3. M.Sc. Physics (Materials Science)	0	20		
4. M.Sc. Physics (Energy Studies)	0	20		
School of Computational Sciences				
1. M. Sc. Mathematics	40	10	Entrance Exam	<ul style="list-style-type: none">● Cyber Laws● Arterial Science Diploma● Robotics● Animation and Graphics● R Languages● S.P.S.S.
2. M. Sc. Statistics	20	10		
3. M.Sc. Biostatistics	0	20		
4. M. Sc. Computer Science	0	30		
5. M.C.A.	0	60	As per A.I.C.T.E Rules	
School of Life Sciences				

1. M.Sc. Microbiology	0	20	Entrance Exam	
2. M.Sc. Biotechnology	0	20		
3. M.Sc. Bioinformatics	0	20		
School of Allied Health Sciences				
1. M. A. (Yoga)	0	30	No Entrance Exam	<ul style="list-style-type: none">Diploma Course of Yoga TeacherAcupressure
2. PG Diploma in Dietetics & Nutrition	0	30		
School of Social Sciences				
1. M.A. Mass Communication	0	30	Entrance Exam	<ul style="list-style-type: none">Agro-TourismShare MarketAnchoring (Radio /T/ V/ Event)Documentary/Short Film MakingDigital JournalismDocumentary and short film makingMobile Journalism
2. M.A. A.I.H.C. & Archaeology	40	0	No Entrance Exam	
3. M.A. Rural Development	0	24		
4. M.A. Economics	0	30		
9. M.A. History				
10. M.A. Applied Psychology				
11. M.A. Political Science				
12. M.A. Public Administration				
13. B. Voc. Journalism and Mass Communication	0	50		
14. P.G. Diploma in Museology				
15. P.G. Diploma in Electronic Media				
School of Commerce of Management				
1. M.Com.	0	90	No Entrance Exam	<ul style="list-style-type: none">Tally ERP
2. M.B.A.	0	120	As per A.I.C.T.E Rules	
School of Languages and Literatures				
1. M.A. Marathi	0	24	No Entrance Exam	<ul style="list-style-type: none">Sanskrit LanguageCommunication SkillTranslationGerman Language
2. M.A. Hindi	0	24		
3. M.A. English	0	24		
4. M.A. Sanskrit	0	24		
5. M.A. Urdu	0	24		
6. M.A. Kannada	0	20		

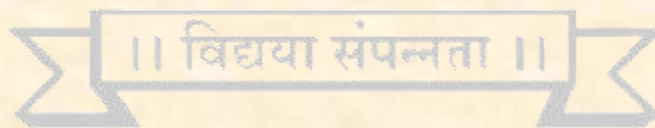

7. M.A. Pali	0	20		
8. M.A. Pakrut	0	20		
School of Technology				
1. Five Years Integrated M.Tech. Programmes in Cosmetic Technology	0	30	No Entrance Exam	<ul style="list-style-type: none"> • Textronics
School of Performing Arts				
1. M.A. Music	0	20	No Entrance Exam	<ul style="list-style-type: none"> • Sugam Sangit • Photography
2. M.A. Dramatics	0	20		
3. M.A. Tabla	0	20		

Certificate Courses Under University Skill Development Centre

The Punyashlok Ahilyadevi Holkar Solapur University, Solapur offers various Certificate Courses Under Skill Development Centre.
